LIGHT SNOW MAKES ROADS VERY SLIPPERY

Freezing rain and snow late Wednesday night and early this morning called out state Highway Department cinder crews for the second time in a week and snow that continued this morning made it necessary to dispatch two snow plows to mountainous sections of the county where the snowfall had accumulated to from two to three inches by noon.

This morning's flurries melted as fast as they fell late in the morning but earlier the ground had been covered to a depth of about a half inch, making travel very hazardous. The first cinder crews went out at 11 p.m., Highway Department spokesmen said. They worked through the night and at noon a number continued operations in northern and western parts of the county.

3 Inches Snow
Snow fell over most of Pennsylvania today, piling up in some sections at depths of 2 to 3 inches.

A weak coastal disturbance, developing overnight, also dropped temperatures.

Intermittent snow was expected to continue in the east with no additional accumulation.

Temperatures were expected to remain near freezing and driving conditions will be hazardous, especially in Philadelphia suburban areas.

In the west a 2-inch fall blanketed Pittsburgh, Bradford, Brookville, Blairsville and other scattered sections.

The snow in the central sections ranged in depth from 1-3 inches with lesser amounts in southern tier counties.

Light snow was expected to continue intermittently over the west and central sections tonight and most of Friday.

ANNUAL HEALTH POSTER CONTEST IS PLANNED HERE

Plans were announced today for the fifth annual health poster contest in Adams County to be sponsored by the Medical Society of Pennsylvania in cooperation with the Adams County Medical Society and to be conducted in this county by the Woman's Auxiliary of the county medical unit.

The county contest, for which cash prizes are offered, will close March 28 and after judging the best of the posters will be placed on display in the Gettysburg National Bank.

The winning posters in the county contest will be entered in the state contest in competition with the best posters produced by school children from all sections of the state. Last year Jeffrey C. Bosserman, a sixth grade pupil at Ardenville, won first prize in the state contest for pupils in Grades Four to Six. Four years ago a York Springs pupil, Ann Smith, also won a state prize. Her art teacher was Mrs. C. H. Heldt of Gettysburg.

Committee In Charge
The committee handling the contest in Adams County is composed of Mrs. Raymond Hale, Ardenville; Mrs. Leon Roos, East Berlin; Mrs. James Hammett, Fairfield; Mrs. Leonard Potter, Littlestown; Mrs. John Menges, New Oxford; Mrs. David Stoner and Mrs. James Allison, both of Gettysburg.

The posters are to illustrate some phase of preventive medicine. (Continued On Page 3)

WGEOFFERS NEW PROGRAM FRIDAY

Radio station WGEO, the "Voice of Adams County," will present a new program on Friday beginning at 9:05 p.m. it was announced today. It will be presented on the "Music of the Masters" hour.

Under the new arrangement Dr. William S. Hart, member of the faculty of Peabody Conservatory of Music, Baltimore, will narrate the 55-minute broadcast. He will introduce the classical selections which will be played, giving a background of the numbers together with little known facts and humorous incidents in the lives of the composers and the musicians who will play the numbers. Dr. Hart is presently trying to organize a Gettysburg Symphony Orchestra.

Dulles Wants Summit Talks But With Careful Planning

WASHINGTON (AP) — Secretary of State Dulles said today "We do want a summit meeting" with Russia and other nations.

But it would be a fatal disaster, he said, if such a session diverted free nations from needed security measures "without any comparable change in the Sino-Soviet bloc."

Dulles also would be a disaster, he added, if Western world leaders were forced to break off a summit conference in an atmosphere of hostility because that could "intensify the cold war and make more likely that it would turn into a hot war."

Because of these considerations, Dulles said in a speech prepared for a National Press Club luncheon, any top level East-West meeting must be carefully prepared with good prospect of achieving results for peace. He said that was the essence of President Eisenhower's message Sunday to Soviet Premier Bulganin. Then Dulles added: "It is now for the Soviet rulers to make clear whether or not they want a summit conference which

COUNTY SQUARE DANCERS, MORE EXHIBITORS WIN

Two teams of square dancers from the Adams County Senior Extension Club won honors in the first annual Folk Dance Festival and Contest at the Pennsylvania Farm Show Tuesday evening as old fashioned folk dancing won a permanent place in future state farm shows. All but three of the 39 teams entered from 11 counties turned out for the big contest.

The team of eight in Division B from Adams County, for dancers between the ages of 18 and 30 years, won a second place "red" award while the other team of eight from the county, entered in Division C for dancers over 21, placed third.

The two county teams plus four additional dancers also appeared in a folk dance demonstration as part of the evening's entertainment. "Red" ribbon teams were those rated at giving excellent performances while a "white" award went to teams with a rating of "good."

Other Adams County honors were garnered in the poultry and dairy divisions of the show with more than 40 prizes going to county displays in the poultry division.

Wins Against Adults
Competition with more experienced poultry farmers doesn't scare Arlan Reynolds of New Oxford R. 2, a member of the Future Farmers of America Chapter at Lower Adams Joint High School. He proved that the Farm Show Wednesday.

Entering some of his birds in the open classes, usually reserved for the commercial poultrymen, Arlan won two top prizes, taking both first and second awards in the open class for Barred capons.

No novice in Farm Show competition, young Reynolds last year won first prize in vocational class for Barred Rock and Silver Hamps capons and one of his birds placed first. (Continued On Page 2)

DRIVERS UNHURT

The drivers of two cars escaped injury in a collision on the Mechanicsburg-Williams Grove Road, Tuesday. Police reported a car driven by Thelma L. JAYCEES HOLD FIRST ANNUAL AWARDS FETE

Gettysburg's Junior Chamber of Commerce honored winners of its various contests during the year at its "First Annual Awards Banquet" Wednesday evening at St. James Lutheran Church. One hundred and twenty Jaycees, wives and guests were present.

Noting that the Teen-Age Safe Driving Road-go is held to "help curb accidents on the highways," Robert Weiland, chairman of the Road-go committee, presented the award won by the first place winner, Larry Riegle, to his mother, Mrs. H. Edgar Riegle, Gettysburg, in the absence of the young driver who is now a college student. Weiland also introduced Joel Reaver, second place winner.

John Y. Crow, chairman of the Junior Golf committee, introduced Gettysburg High School Athletic Director George Forney and Coach Ben Jones, and expressed the appreciation of the Jaycees for their aid during the year. He outlined plans for the All-Sports Night program to be held at the local high school by which the Jaycees hope to raise \$2,000 to send the Gettysburg High School football team to training camp before the opening of the next football season. He said in giving the Junior Golf award to Thomas Crist, son of Mr. and Mrs. Edward Crist, Elm. Ave., that "your attendance at the All-Sports show will be another way of honoring Tommy Crist, because he is one of the players who will benefit by the camp."

German Wins Award
Donald H. Becker, chairman of the Voice of Democracy contest, said, "We of the Gettysburg Jaycees are proud that out of the 80 entries in the state contest, our Gettysburg winner was among the top ten. We also think it appropriate that the Gettysburg winner should be Dietrich Borowski, a young German who grew up as West Germany was establishing its democratic form of government. Now an exchange student at Gettysburg High School, he truly knows what democracy means."

Becker also introduced the second and third place winners, Paul Dietz and Keith Mackenzie; the parents of Paul Dietz, Rev. and Mrs. Reginald Dietz, and the persons with whom Borowski is staying during his year here, Mr. and Mrs. S. Blaine Miller.

Richard Waybright was presented with the award as the Outstanding Young Farmer by Paul B. McDonald, chairman of that contest. McDonald, introducing the second place winner, Horace Waybright, brother (Continued On Page 9)

SHIRER WILL SPEAK FRIDAY

The public has been invited to Brub Hall on the Gettysburg College campus Friday evening at 8:30 o'clock to hear a lecture by William L. Shirer, widely known foreign correspondent and author, who will speak on "World Affairs Are Your Affairs."

Mr. Shirer will speak here as the fourth in a series of community presentations under the direction of Dr. William K. Sundermeyer of the college faculty.

Probably best known to Americans for his radio broadcasts from Berlin from 1937-1941 and as the author of "Berlin Diary," Mr. Shirer is a graduate of Coe College in the class of 1925. Then he went to Europe on a cattleboat with \$200 in his pockets, borrowed from the college president and a New York uncle who was a publisher. He stayed in Europe two decades and covered most of the continent's capitals.

He was in Germany until the end of 1940. In 1941 his "Berlin Diary" came out and was an immediate best seller. He returned to England in 1943, to France in 1944 and to Germany in 1945. He has been the recipient of many honors including the John Foster Peabody award, radio's top prize; the Wendell Willkie One World award and the Legion of Honor from France.

Highland Board Files '57 Report

Highland Twp. supervisors built a half mile of road during the last year, according to the annual report of the auditors filed Wednesday with the county clerk of courts.

Joseph F. Bushey is chairman of the board of auditors and Francis W. Weikert, secretary, according to the report. Income included a balance of \$2,917.90 from the prior year, \$2,024.69 taxes, \$5,414.86 from the state, \$818.43 county aid, \$65 in fines, \$50 liquor tax and other miscellaneous items. Expenses of government included \$554.57 for general government, \$6,896.25 for highways, and \$71 miscellaneous. The balance at the end of the year was \$2,934.66.

SAFETY TO BE WINDOW THEME OF SCOUT WEEK

Safety will be featured in the window displays to be placed by Black Walnut District Cub, Scout and Explorer units during Boy Scout Week, it was decided Wednesday night at a meeting of the commissioners of the district at the engine house.

The commissioners will ask each unit to present a display based on safety, either in the home, personal safety in the school or on the highways "or a combination of all."

The window displays are to be in place February 6. Boy Scout Week opens February 7. Members of the District Camping and Activities Committee will judge the displays on February 13. Prizes will be given for the best display in each of the three divisions of Scouting, Cubbing, Scouting and Exploring.

Stress Advancements
Promotion of advancement was listed as a special goal during 1958, with the commissioners voting to seek to have every unit achieve a quota of "Forty Per Cent First Class Or Better" by December 31, 1958.

February 1 was announced as the "cut off date" for the annual tree planting contest. The commissioners were told that at the present time all trees listed as available at the beginning of the event are still available with exception of Japanese larch. Twenty dollars first and \$10 second prize will be awarded the leading units in the tree-planting contest.

Four district youths have signed so far to attend the National Boy Scout ranch at Philmont, New Mexico, this summer. Of the 38 permitted to attend from the York-Cumberland area. (Continued On Page 9)

Mrs. Mervin King, Littlestown, Dies

Mrs. Emma M. King, 75, wife of Mervin J. King, Lumber St., Littlestown, died on Wednesday at 1:25 p.m. in the Warner Hospital where she had been a patient for two weeks. A daughter of the late Noah E. and Mary E. (Stine) Cutsail, she was a member of the Piney Creek Church of the Brethren, near Taneytown.

Mrs. King is survived by her husband and two daughters, Miss Evelyn King and Mrs. Ethel Cline, Harrisburg; four grandchildren and five brothers and sisters also survive: Mrs. Betha Ecker and John S. Cutsail, Baltimore; Harry H. and Milton M. Cutsail, Littlestown; Mrs. Carroll Leister, Westminster.

Funeral services on Saturday morning at 10 o'clock from the J. W. Little and Son Funeral Home, Littlestown. The Rev. Cyrus L. Surtle, pastor of Piney Creek Church, will officiate. Interment in Mt. Carmel Cemetery, Littlestown. Friends may call at the funeral home on Friday evening.

LOCAL CADETS ARE PROMOTED

Lt. Colonel Robert M. Beechnor Jr., Gettysburg College, today announced the promotion of the following ROTC cadets:

James Apple to be cadet colonel and commanding officer of the College Guards. Ronald Fink to be cadet colonel and commanding officer of the 1st Guard Group. Robert Kauffman to be cadet colonel and commanding officer of the 2nd Guard Group. All are seniors and will be awarded commissions as second lieutenants upon graduating in June.

Lieutenant Colonel Beechnor also announced that Cadet Captain John Matthews and Cadet Major James Apple were awarded the Cadet Commendation Ribbon for outstanding service to the regiment during the first semester of the school year. Both men "gave generously of their time to insure the successful accomplishment of the running of the Cadet Regiment," he said. Apple is commanding officer of the Army ROTC drill team and Cadet Captain Matthews has been assigned as regimental S-1 and S-4.

JUDGE SHEELY WILL ADDRESS SCOUT DINNER

Judge W. C. Sheely will be the main speaker at the 41st annual meeting of the York-Adams Area Council Boy Scouts of America to be held next Thursday evening at the Yorktown Hotel, York.

Bernard Sevel is chairman of the committee on arrangements which includes Atty. Eugene R. Hartman, Gettysburg; Jacques S. Schmitt, Dallas C. Ellis, York; William E. Holley, New Freedom, and Harold Rudisill, Hanover. Invitations have been sent to all Scout representatives and leaders in the five districts which make up the councils.

Hartman To Preside

The organist will be Mrs. Harvey Van Fossen, Red Lion, and the West York Trumpet Quartet will provide musical selections.

Silver Beaver awards will be presented to four active Scouters who "have given noteworthy service of exceptional character to boyhood." These boys have been nominated by secret ballot by the present holders of this highest council honor. U.S. Commissioner Horace G. Ports, member of the council and national councilman, will make the presentations. The names of the recipients. (Continued On Page 4)

CUMBERLAND'S TAX DOUBLED IN FIVE YEARS

Cumberland Twp. taxpayers during 1957 paid more than twice the taxes they paid five years ago, and the amount exceeded the \$100,000 mark for the first time in the township's history.

The report of Tax Collector Walter T. Mehring, Gettysburg R. 2, filed this morning with the county clerk of courts reveals, in comparison with other similar reports in prior years, the tremendous growth that has occurred in Cumberland Twp. during the last several years. Township residents and landowners paid \$108,512.67 in taxes during 1957, the report showed. That compared to \$81,750.88 paid in 1956 and \$54,212.39, less than half a much, five years ago in 1953.

Mehring reported that the taxpayers also paid more quickly during 1957. There were 196 more persons who paid their taxes during the period when the taxpayer received a discount than had paid during that time in 1956.

Doubles Assessment
The reports show a steady increase in the assessments for the township, caused by re-assessments and much new building. The assessment in 1957 was \$1,633,182 or more. (Continued On Page 3)

MOTORIST INJURED

Mrs. Mary Baltzley, 41, Aspers R. 1, was injured when the car in which she was riding skidded on Mill St., Mt. Holly Springs, and struck a utility pole. State Police said Mrs. Baltzley, whose head went through the windshield, was treated at Carlisle Hospital for head injuries.

Ike Asks Lower Government Price Supports And Easing Of Production Restrictions

By OVID A. MARTIN
WASHINGTON (AP) — President Eisenhower today called for lower government price supports for major farm crops and dairy products, and an easing of production restrictions.

In a special message to Congress, Eisenhower laid out in 14 points what he termed a progress program and said it would let farmers benefit more from their own unparalleled ability to produce.

The program held out the prospect too of eventual lower food costs for consumers. Eisenhower told Congress that agriculture in recent years has been experiencing a veritable revolution in productivity.

Manhour Production Doubles
"Farm production per manhour has doubled since 1940," he said. "There has been more change in agriculture within the lifetime of men now living than in the previous 2,000 years."

Eisenhower said the rapid changes taking place in agriculture are largely the result of a major breakthrough in agricultural science and technology, constitute a revolution that cannot be reversed, and are continuing. "It cannot be avoided and it need not be feared," he said. "In recognition of this basic fact, we must find ways of utilizing more completely the abundance that our farm people are now able to produce; we must find ways of further expanding markets for this increased production, not only among our own citizens but among people all over the world who need the food and clothing we produce in such abundance."

PUBLIC SERVICE

In the event of an emergency, such as a severe snowstorm, heavy rain or for some other reason there is some question as to whether the schools in Adams County will be open, radio station WGEO is prepared to keep you advised.

Arrangements have been made with school authorities whereby WGEO will be notified, "in a coded message to avoid being misinformed by some prankster," whether schools will open, buses run or hours curtailed.

If a heavy snow should fall during the night and you want to know whether school buses will be run and schools open tune in WGEO and you will get the information you want. Do not call WGEO. Simply turn your radio dial to 1450 and an announcer will broadcast the information you want. WGEO will be notified early in the morning whether schools will be open.

This is another public service from the "Voice of Adams County, WGEO."

FOUR FARMER MEETINGS FOR WEEK LISTED

Four "county-wide" farmers' meetings have been announced for next week by the Agricultural Extension Association.

A poultry meeting is scheduled for the Adams Electric Cooperative Building rear of N. Stratton St. at 8 o'clock Tuesday evening.

Wednesday from 10 o'clock in the morning to 3 in the afternoon, a Farm Record Analysis meeting will be held at the Adams Electric Cooperative Building.

Thursday, from 10 a.m. to 3 p.m., the annual Adams County Dairy Day will be held at the court house.

Friday at 1:30 in the afternoon and 8 o'clock in the evening an agricultural engineering clinic will be held at the Adams Electric Cooperative.

To Hear Specialists
Associate County Agent Fred H. Attinger said C. O. Dossin, Pennsylvania State University poultry extension specialist, will speak on the latest trends in the poultry industry at the poultry meeting Tuesday evening. The annual election of officers for the county Federation of Poultrymen will also be held.

County Agent Frank Zettie announced that Fred Hughes, Pennsylvania State University farm management specialist, will be in charge of the Farm Record Analysis meeting Wednesday. He asked that farmers attending the session bring their account books with "the following figures available: gross farm receipts, gross farm expenses, beginning inventory, depreciation schedules for machinery and equipment and buildings and equipment." He added that the meeting will be so arranged that no specific figures relating to an individual will be revealed, only averages of the group. At the meeting the farmers will "compare your farm business with those in your community discuss farm record keeping procedures and discuss use of (Continued On Page 10)

FIREMEN SET DATES OF 95TH ANNIVERSARY CELEBRATION

June 29 to July 5 were selected Wednesday night as the dates for the observance of the 95th anniversary of the Battle of Gettysburg.

Members of the general committee for the anniversary, sponsored by the Gettysburg Fire Department, held their first meeting Wednesday evening at the engine house with the chairman, Robert Hartman, officiating.

The group voted to begin the anniversary observance on Sunday night, June 29, with a Gettysburg High School program including a concert and speaker, similar to the Sundaynight affairs in prior years.

\$1,800 In Prizes
The annual festival at the Recreation Field will be held June 30 through July 5. The annual parade will be held Friday, July 4.

A vote showed the committee favoring again giving approximately \$1,800 in awards in connection with the festivities. The final decisions on how awards for the parade participation should be divided was left up to the Parade committee headed by Donald McSherry. Each year the awards for the various units in the parade are slightly changed to meet needs as shown from the prior year's parade. McSherry said his committee in the near future will announce the awards to go for floats, marching units, bands, drum corps etc.

The budget for fireworks was increased from \$500 to \$600, with fireworks scheduled for each night. Events of the past year will be reflected in the fireworks which will include such new pieces as "Spunkies" and "Rocket Planes."

Sign Amusements
Chairman Hartman announced that one contract for rides and amusements at the festival has been signed and another will be signed in the near future. It is anticipated that the number of amusements at the festival will be larger than last year.

Advertising for the observance was discussed, with plans generally to follow last year's type or advertising.

The possibility of several special events during the observance period was discussed with no final action taken.

Minor changes in the lighting system at the Recreation Field were discussed. The next meeting will be held at the call of the chairman.

TELLS AAUW OF EDUCATION IN AREAS ABROAD

"Education in Underdeveloped Countries" was outlined Wednesday evening by Dr. Dorothy Douglas, visiting professor of sociology at Gettysburg College, in a talk before the Gettysburg chapter of the American Association of University Women at the YWCA.

Introduced by Mrs. C. C. Ray, chairman of the International Relations Study group of the AAUW, Dr. Douglas told of her findings in 1955 when she traveled with a party of six graduate students on a ten-month tour by auto through Asia and Africa during which they visited India, Pakistan, Lebanon, Uganda, Tonganyika, Sudan, Egypt and Ethiopia.

She is the author of a number of books in the field of economics, including "Transitional Economic Systems," which appeared in an Italian edition this year. "In India the heritage left by colonialism is indeed sad," she said. "The primary education was inadequate, with only sufficient higher education to produce competent British servants."

"At Nairobi, Africa, the color line is strict. No African may live in the capital although they do all the manual labor. At night they return to settlements outside the city. The population includes 30,000 Europeans and five and one-half million Africans."

At the Royal Technical College, founded by the crown, however, there is no color line. "Because of inadequate middle schooling only one of five Fourth grade graduates is able to continue school. The housing units built in the settlements consist of one 10-foot-long by 5 1/2-foot-wide room for each family."

"Throughout Ethiopia and the Sudan education consists mainly of missionary settlements and clinics."

Mrs. Marcus Ritter was in charge of refreshments.

MANY PLANS ARE SUGGESTED FOR CIVIL WAR FETE

More than 200 attended the first national assembly held by the Civil War Centennial Commission at Washington Tuesday and Wednesday.

The group of historians, scholars and archivists made many suggestions for the proposed four-year centennial to be held from 1961 to 1965. Gettysburg was represented by Dr. J. Walter Coleman, superintendent of the Gettysburg National Park.

Among the suggestions were:

1. To co-operate with the National Park Service in completing the preservation and development of the 25 Civil War battlefields now in existence. Efforts were urged, moreover, to acquire more lands to encompass more of the battlefield areas, many of which are now being crowded by commercial and residential development around the fringes.
2. To stimulate collection, cataloging and dissemination of basic Civil War materials such as manuscripts, newspapers, maps and pictures for their better preservation and easier availability to scholars and students.
3. To make clear not only the military and civilian course of the war years but the causes of the war itself—even today a subject of controversy.
4. By special emphasis in the classroom, to make youths aware of the meaning of their Civil War forefathers' sacrifice and heroism in uniting the nation for world leadership.

Gen. U. S. Grant III, the commission's chairman, emphasized the role of the commission will be to guide and assist, rather than direct, state and local organizations in their own area centennial celebrations. The national body may work for such projects as special appropriations to complete long-overdue cataloging and rehabilitating of Civil War documents now in National Archives and for commemorative stamp issues to stimulate general interest.

Ronald P. Lee, chief of the National Park Service Interpretative Division, told the gathering the battlefield parks are expected to be deluged by visitors during the centennial years. The appropriation made last year to keep the parks in shape for the record-breaking 6.5 million visitors amounted to only 20 cents per head in that year, Mr. Lee pointed out.

The commission must submit to Congress a report of its activities by March 1.

TELLS CADETS OF ARMY JOBS

Lt. Col. Charles Gummel, QMC (ret.), spoke to the Junior class of the Army ROTC at Gettysburg College, Tuesday afternoon at 1 o'clock in Christ Chapel, on quartermaster operations in the United States and in overseas theaters.

The cadets are presently studying the various branches of the Army to give them a better understanding of the roles and missions of the various arms and services.

Colonel Gummel explained the operation of the quartermaster market center system and the general quartermaster depots and how the Army accomplishes the job of supplying the needs of the Department of Defense.

He also explained the organization and function of a typical post quartermaster section, showing how the troops are supplied with food, clothing, laundry and dry cleaning needs.

Colonel Gummel has served as battalion commander and chief of storage and post quartermaster and other posts. At the present time he is attending Gettysburg College as a full time student to earn his degree.

Local Couple To Be School Advisors

The Rev. and Mrs. Reginald W. Deitz will be the consultants for the first meeting of the teen-age behavior study group of the Junior High School Parent-Teacher Association Thursday at 7:30 p.m. at the Hanover school. The topic, "Those Physical Changes of Adolescence," is a follow-up of a previous survey.

Rev. Deitz is professor of church history at the Lutheran Seminary, assistant to the president, and former director of Camp Nawakwa, Arendtsville.

Mrs. Deitz has had experience with youth as a teacher and adviser at the camp. She is a teacher in the Gettysburg public schools.

Park Asks Bids On House Repairs

The Gettysburg National Military Park called today for bids for alterations to the Snyder house in the park, about three miles south of Gettysburg and east of the Emmitsburg Rd. The work will include installation of a bathroom, an oil-fired circulating hot water system, sewage disposal system, mineral wool insulation and necessary patching of existing work.

The bids will be opened in the park office here at 2 p.m. on January 31.

DEATHS

John J. Kuhn, eldest son of East Berlin native John Randolph Kuhn and a member of the New York City law firm of Oeland and Kuhn, died Monday at 4:15 p.m. at his home, Great Neck, L. I., N. Y. He had been in failing health since autumn and his condition became critical about one month ago.

Mr. Kuhn was born in Brooklyn, N. Y., third of the 13 children of the late John R. and Henrietta M. Rabitte Kuhn. He was educated in the public and Catholic schools of Brooklyn and obtained his preparation for the legal profession at Cornell University. A few years ago he was tendered a celebration observing the 50th anniversary of his admission to the bar. He remained active in Delta Chi fraternity of his university. Mr. Kuhn also held prominent positions in numerous Catholic, civic and patriotic organizations of the New York and Brooklyn area. At the outbreak of World War I, Mr. Kuhn volunteered for army service and saw extensive action in France, becoming a captain and a member of the judge advocate division. At the close of the war, he was married in France to Miss Pauline Lange, New York, who had been doing ambulance work in the battle-stricken areas.

Mrs. Kuhn survives as do two brothers, Walter R. Kuhn, Halestite, L. I., a junior member of his law firm; and George E. Kuhn, Hollis, L. I.; five sisters, Mrs. Augustine J. Tierney, East Berlin; Mrs. Joseph F. Maguire and the Misses M. Estelle, Eulalie and Evelyn L. Kuhn, all of Brooklyn.

Littlestown INCREASE IN SCHOOL TAXES IS PREDICTED

The Littlestown Borough School Board met on Tuesday evening, at which time the secretary, Luther W. Ritter, reported there will be an approximate 33 per cent increase in taxes for assessed real estate in 1958, as accepted by the board. Receipts of the evening were \$762.30, received from LeRoy W. Bish, tax collector.

Expenditures were as follows: \$9,677.17 and \$6,194.87 to the Littlestown Joint School System; \$37.26 to LeRoy Bish, commission on taxes collected; \$62.50 to Lloyd E. Crouse, board treasurer; \$150 to Luther Ritter, secretary; \$236.12 to the Commonwealth of Pennsylvania Social Security Contribution Fund for 1956-57 taxes, and it was noted that all employees of the borough school board are now covered by law by the Social Security through recent coverage provisions for school employees.

Present at the board meeting were Karl P. Bankert, president, who presided; Wilbur E. Mackley, Lloyd E. Crouse, Henry E. Waltman and Richard A. Maitland, and Luther W. Ritter, non-member. The school directors will meet again on Tuesday, February 11.

Ladies' Aid Meets

Lobsters are usually shipped in dry ice to keep them alive. Over 16,000 pounds of live lobsters were shipped in wood shavings to keep an even temperature from St. John's Newfoundland, to Brussels, Belgium, last Dec. 6. All lobsters arrived alive in their light weight wood shavings. Dry ice would have been too heavy for air transportation.

"DO IT WELL"

There's pride in doing something well . . . however large or small . . . a thrill that stems from deep inside . . . and counts the most of all . . . self-satisfaction is indeed . . . a prize we all enjoy . . . a tender magic kind of glow . . . that nothing can destroy . . . this treasure is a priceless one . . . it makes a man feel like a king . . . yet does not long remain . . . for it's a fleeting interlude . . . that God has given man . . . to bolster up his faith and hope . . . since first the world began . . . so when you have a job to do . . . remember what I say . . . do it well and you will have . . . a heart that's light and gay.

Weddings

Miller — Lawrence

Miss Barbara A. Lawrence, daughter of Paul B. Lawrence, New Oxford R. 1, and the late Mrs. Violet M. Lawrence, and Robert F. Miller, son of Mr. and Mrs. Joseph M. Miller, 105 W. High St., New Oxford, were married Saturday, at 10 a.m. in Sacred Heart Catholic Church, Conewago Chapel. The Rev. Paul Miller, brother of the bridegroom, pastor of St. James' Church, Steelton, officiated at the double-ring ceremony. Francis Carbaugh, Hanover, was soloist and Joan Greenholt, organist. The bride was given in marriage by her father, Paul F. Lawrence, Maid of honor was Miss June Sentz, Hanover, and bridesmaids were Miss Joan Smith, McSherrytown, and Miss Joan Cornbower, New Oxford R. 1, the bride's niece. Best man was Frederick Miller, brother of the bridegroom, New Oxford, and the ushers were Joseph Miller, Diller Rd., Hanover, brother of the bridegroom, and Carroll Lawrence, brother of the bride, 'V. High St., New Oxford. A reception for about 175 guests was held at the Irishtown fire hall after which they left on a wedding trip to the south. The couple will reside at New Oxford R. 1. The bride attended Delone Catholic High School, McSherrytown, and is employed as a dental assistant at the Glendale Medical Center, York. The bridegroom is employed at the Oxford Container Corporation, New Oxford.

CUMBERLAND'S

than twice the \$805,365 assessment for the township in 1953, five years ago. In 1956 the assessment was \$1,442,940.

Mehring's report showed the number of property owners increasing by 46 during the year. In 1956 a total of 799 real estate taxables were listed. In 1957 the number was 845. Comparable figures were not contained in the 1953 tax collector's report. The 1957 report shows 1,332 persons listed for occupation taxes.

During the five-year period the tax millage imposed by the county and institution district declined, the amount imposed by the township supervisors remained the same and the school taxes increased.

Throughout the five-year period the township supervisors levied a four-mill, \$5 per capita tax. The county and institution district taxes in 1953 totaled 12 mills and dropped to ten mills for 1956 and 1957.

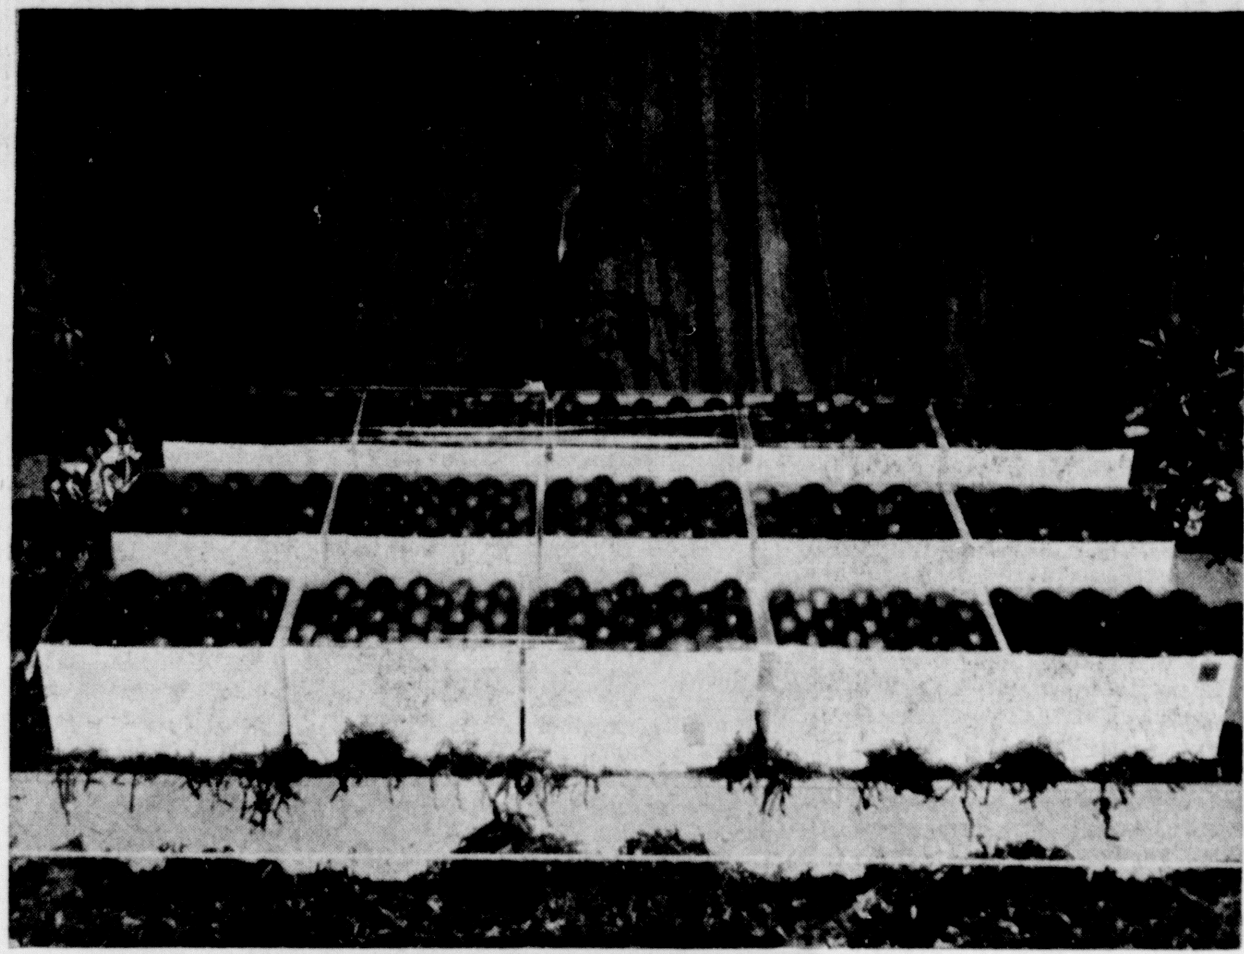

A school district tax of 27 mills and \$10 per capita, in effect in 1953, continued through 1956. In 1957 the school district increased its rate to 40 mills while retaining the \$10 per capita tax.

The taxes collected in 1957 were \$12,952.07 township; \$76,014.46 school district, \$14,523.12 county and \$5,023.03 institution district. The comparable figures in 1956 were: Township, \$12,306.59; school district, \$51,655.18; county, \$13,232.35 and institution district, \$4,556.76. For 1953 the taxes collected by Mervin G. Boyd, then tax collector, were: Township, \$8,773.93; school district, \$33,344.84; county, \$7,811.39 and institution district, \$4,282.23.

Cumberland's present tax collector, Walter Mehring, took over the post in 1954. He noted today that his first year he had to send out more than 400 cards to delinquent taxpayers after January 1. This year the number was less than 100.

cine or general health as related to the family doctor, contest rules say. The posters may contain a health slogan or caption of not more than seven words. The posters will be judged on their health message, originality of design, neatness and general appearance.

The county contest is being divided into the groups with three sets of prizes. For the first group including Grades Five and Six and the second group for Grades Seven to Nine, the prizes will be: First, \$15; second, \$10; third, \$5, and fourth, \$2.50. For the third group including Grades 10 to 12, the prizes will be: First, \$15; and second, \$10. Last year 247 posters were submitted in the county contest.

This health poster contest in the public and parochial schools of the state was inaugurated in 1938 and with the exception of the war years it has continued since as a popular health education project. An average of 30 counties participate each year and county winners are entered in the state judging where the prizes total \$255. Approximately 55,000 posters have been produced by school pupils for these contests in the state.

LIGHT SNOW

snow blanket covering the North east section of the nation with depths measured at from 9 to 25 inches.

A nor'easter yesterday cloberbed the region with gale force winds and high tides in addition to heavy snow.

The snow cover extended as far south as West Virginia and northern Kentucky but the fall was relatively light in these areas.

Fresh snow brought the depth at Rumford, Maine, to 25 inches. Caribou, Maine, measured 20 inches of snow on the ground. In western New Hampshire, Lebanon recorded 18 inches, and Albany, N. Y., had a 9-inch blanket.

The storm caused closing of some schools in New York state areas and broke power lines and disrupted highway travel.

In the Boston area, wharves and railroad bridges were flooded by abnormally high tides. Along the New England coast winds were clocked at 40 to 60 m.p.h. during the height of the nor'easter.

tary of agriculture discretion to increase acreage planting allotments for wheat, cotton, rice, tobacco and peanuts up to 50 per cent above levels now provided by legal formulas. Such increases would be made only if there were potential markets for the larger output. They would be coupled with lower price supports.

3. Legislation eliminating acreage allotments for corn. This would put corn on the same basis as other livestock feed grains.

4. Repeal the escalator clauses of present price support laws requiring that supports for wheat, cotton, corn, rice and peanuts be increased when supplies decline. Secretary of Agriculture Benson has said these clauses would increase supports when present surpluses are disposed of, encouraging on new surpluses.

Possible Price Supports
5. Legislation to fix the range of possible price supports for wheat, cotton, corn, rice, peanuts, tobacco and dairy products at 60 to 90 per cent of parity. The present range is 75 to 90. Parity is a standard for measuring farm prices declared by law to be fair to farmers in relation to their costs.

This proposal calls for repeal of a law requiring that tobacco be supported at 90 per cent of parity when marketing quotas are in effect, regardless of the supply.
6. Amend the price support law to base price supports for cotton on the average quality of the crop. Present law requires use of midling 7/8-inch quality, which is below the average. This change would put supports for cotton on the same basis with other crops and would put supports for cotton on the same basis with other crops and would tend to lower the supports by more than two cents a pound. Present supports are slightly above 28 cents.

Sell Surplus Abroad

7. Legislation increasing the membership of the advisory board of the Commodity Credit Corporation — price support banking agency — to seven from five, and giving it authority to advise the secretary of agriculture on price support levels. Members would require Senate confirmation which now is the case.

8. Extend the Agricultural Trade Development Act authorizing the Agriculture Department to sell farm surpluses abroad for foreign currencies and permitting the use of those currencies in financing trade development and other U.S. government expenses in the purchasing countries. The extension would permit the sale of an addi-

WILL PRESENT PLAY AT HALL

The three-act comedy, "Calling All Cars," postponed last month because of bad weather and an accident at the final rehearsal, will be presented by a cast of 13 Friday and Saturday evenings in the York Springs fire hall by the senior class of the York Springs High School. Eight o'clock is curtain time each evening.

The cast for the play includes Helen Smith, John Scholtzauer, Darlene Darr, Ann Smith, Ruthanna Trostle, Elaine Brough, Minnie Miller, Gary Fastick, Shirley Davis, Ronald King, Stanley Prosser, Kay Delp and Luther Spertzel.

The York Springs borough council met on Monday night in the fire hall with all the members present. The new members, Wendell Lehman, Arthur Kimmel and Harold Kemper, were sworn into office. The following officers were elected: President, Fred Stough; secretary, William Robert Rhoads; treasurer, William Lehman. Other members are Richard Myers, Clair Kennedy and Aston Chorley. Burgess E. J. Myers was present. They meet the first Monday of each month in the York Springs fire hall.

NOTTINGHAM, England — Two RAF vampire jet trainers collided 9,000 feet over this industrial city today, killing four airmen and a woman factory worker. Two RAF men, a pilot and a student, died in each plane. The woman was killed when part of one of the broken jets crashed through the roof of the plant where she worked.

national 1 1/2 billion dollars worth of surpluses. Congress already has authorized disposal four billion dollars worth.

Expand Research
9. Expand research to develop new industrial uses for farm products. The President called for increased funds for this in his budget message.

10. Extend the National Wool Act authorizing incentive payments to supplement grower returns. The payment measure was a feature of a controversial farm plan advanced in 1949 by Secretary of Agriculture Brannan, but rejected by Congress and criticized in the past by both Eisenhower and Benson.

11. Extend the special school milk program authorizing the department to contribute 75 million dollars a year to help pay for milk served in schools.
Many Insure Loans
12. Legislation to broaden sources of loans for rural power and telephone projects. At present, the government provides such funds. Suggested has been a plan under which the government would insure loans from private sources. This change would be expected to increase interest rates because private loans are being made only at rates double or more the present government rate of two per cent. But to get such lending funds, the government itself must pay more. Hence, it loses money on present loans.

13. Legislation requiring the states to contribute to federal the scope of the agricultural conservation program to pay farmers subsidies only for carrying out permanent soil and water conservation practices and measures. This would eliminate subsidies for annual practices, such as application of lime and fertilizer.

DECISION LATER ON CHARGES OF ARMED ROBBERY

Decision in a hearing on charges of armed robbery filed by Hanover police against Grady Alvin Hughes, 19, Westminster R. 3 youth, was held under advisement Tuesday night by Justice of the Peace George A. Lippy.

Hanover police accused the youth of taking about \$50 in cash at the point of a gun from an attendant of the Spur Service station, Hanover, Monday evening, December 16. The youth, who was apprehended by police January 4 for questioning, and committed to the York County jail January 6 without bail to await the hearing, testified he was accompanied by his mother and a younger brother on a shopping trip in Hanover the night of the robbery.

His mother and brother testified the trio parked at the Clearview Shopping Center, Hanover, about 7 p.m. and visited several stores.

About 7:30 p.m., they said they moved the car to the second block of Carlisle St., Hanover, to shop at several downtown stores and left for their home between 8:15 and 8:30 p.m.

Police said the robbery at the service station occurred about 8:05 p.m. The Maryland trio stated the accused youth was accompanied by his mother or brother or both during their stay in Hanover.

The youth was recommended to the York County jail to await decision on the hearing. Squire Lippy said he would confer with the district attorney's office before handing down a ruling.

State police here filed a fugitive warrant with Maryland authorities some time ago against Hughes in connection with a Littlestown robbery.

BURY MRS. FREED

Funeral services for Mrs. Roseanna M. (Patterson) Freed, 85, widow of Sherman Freed, formerly of the Gettysburg area, who died at the Kuhn Convalescent Home, New Oxford, on Sunday afternoon, were held Wednesday afternoon at 2 o'clock from the J. W. Little and Son Funeral Home, Littlestown. The Rev. Paul L. Reaser, pastor of St. James' Lutheran Church, Gettysburg, officiated. Interment was in Grace Lutheran Church Cemetery, Two Taverns. Serving as pallbearers were four nephews of the deceased, Herbert Patterson, Elvin Patterson, Raymond Ketterman and Paul Ketterman.

Father, Son Fete Monday Evening

The annual Father and Son banquet of Trinity Lutheran Church, Taneytown, will be held Monday evening at 6:30 o'clock. The affair is sponsored by the United Lutheran Church Men and the banquet will be served by the ladies' Mite Society of the church.

Rev. Charles Trunk, Jr., pastor of Evangelical Lutheran Church, Frederick, will speak. Tickets are available from members of the committee.

Committees appointed include: Tickets, Luther Luckenbaugh, Glenn Bollinger, Harry Dougherty, Harry Dougherty, Jr., Franklin Fair, Sterling Fritz, Fred Garner, Kenneth Gilds, Merle Ohler, Kenneth Smith, and Albert Wilhite. In charge of tables are: Elwood Harner, Herbert Bowers, Stanley King, and Wilbur Naylor.

COURT UPHOLDS CONTEMPT CASE

WASHINGTON (AP) — The U.S. Court of Appeals today upheld validity of the resolution creating the House Committee on Un-American Activities.

It did so in reaffirming 5-4 the contempt of Congress conviction of Lloyd Barenblatt, who formerly taught at the University of Michigan and Vassar College.

Barenblatt was charged with contempt for refusing to tell the committee whether he was, or ever had been, a Communist party member when he appeared before the committee June 28, 1954.

The majority held that the Supreme Court did not invalidate the resolution creating the committee in its Watkins decision last June.

In that case, the Supreme Court reversed the contempt conviction of John T. Watkins, a labor organizer of Rock Island, Ill., and sharply criticized the House resolution setting up the Committee on Un-American Activities.

After the Watkins decision, the Supreme Court sent the Barenblatt case back to the Court of Appeals for another look.

WHERE THERE'S SMOKE

FRANKLIN, Ky. (AP) — Dropping burning cigarettes in bed isn't restricted to people.

FIVE SPOTTER STATIONS ON STANDBY PLAN

Adams County's five aircraft stations have been on a "stand by" basis since January 1, William G. Weaver, Civil Defense director for the county, told the Adams County Commissioners this morning.

Weaver said federal authorities had notified him that because of vastly improved radar systems, there is no longer a need for volunteer spotters to man the stations daily and as a result the spotter stations throughout the nation have been put on a "stand by" basis, to go into operation only in case of emergency.

Weaver said he understood spotters would be called in from time to time if difficulties occur with some element of the nation's radar defense chain. He said he understood that some spotter stations would then be manned, "to close the gap" until repairs could be made. "Or in the event of an actual invasion by enemy planes the spotter stations would probably be manned, or in the event of a worsening of the international situation, the spotters will probably be called into active duty."

Paul Heldbridge, head of the spotter stations set up in the county, has been directed by Weaver to organize special crews for each spotter station to man the station on a 24-hour-a-day basis upon call. Most of the emergency crew members are expected to be men and women who have previously served the spotter stations.

The commissioners agreed to keep the five spotter stations, at Gettysburg, York Springs, New Oxford, Littlestown and Orrtanna station and directed work to be done immediately on the Orrtanna station after receiving reports of maintenance needed there.

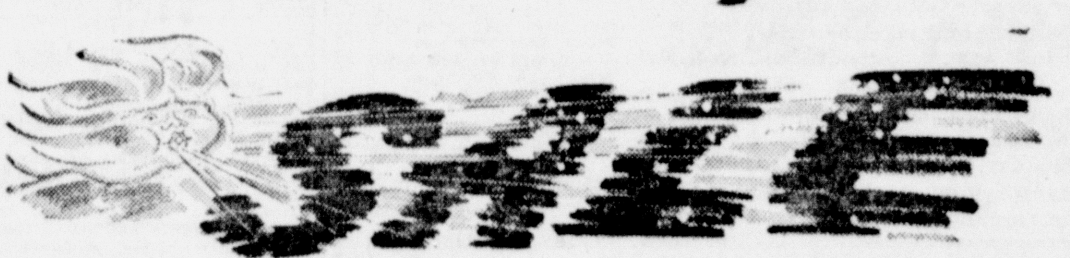

Weaver and the commissioners agreed to cut off electric power to the stations with arrangements to be made with the power companies to restore the current quickly when needed.

Stoner Again Heads Firemen At
Fairfield: The Fairfield fire company re-organized for the coming year at its monthly meeting Monday evening. President M. F. Stoner presided.

The following were re-elected: President, M. F. Stoner; vice president, E. H. Newman; secretary, P. S. Pentz; treasurer, Robert B. Martin; fire chief, C. LeRoy Sheds; trustee, E. A. Seabrook.

37 Births Lead Deaths By 121 In Borough, 4 Townships: Births in Gettysburg and four surrounding townships during 1937 showed an increase in the number reported during the preceding year and far exceeded the number of deaths in 1937, the records of A. W. Ramer, registrar of vital statistics for the area, showed today.

The stark made a total of 292 trips to the area, while death claimed 171 persons in the same district. The increasing birth rate during 1937 continued a trend recorded first in Mr. Ramer's books in the last four months of 1935 and continued through 1936.

Miss Seymour, W. Harman Wed: Miss Catherine Seymour, daughter of Mr. and Mrs. Sylvester Seymour, of near Square Corners, and Luther Harman, son of Mr. and Mrs. William W. Harman, Biglerville, were married Tuesday evening in the rectory of St. Joseph's Catholic church, Bonnevillie by the Rev. Leo Krichen, rector.

Miss Ramer Named B. And L. Director: Miss Mary Ramer was elected a director of the Adams County Building and Loan Association at the annual organization meeting Tuesday evening. She fills the vacancy in the board caused by the death of Peter C. Stock Monday. Mr. Stock had served as treasurer of the board since its organization in 1899.

Upper County Churches Elect New Officers: The members and councils of the Biglerville Lutheran and St. Paul's Lutheran church were entertained at the parsonage in Biglerville Tuesday evening.

An election of officers was held with the following results:

Joint council: President, Warren K. Enck and secretary, Henry Wagner.

Bender's Lutheran: President, E. S. Slaybaugh; secretary, Wilmer Lady; treasurer, Theodore Kepner; financial secretary, Howard Guise; trustee, Clarence Rausher; deacons, Henry Wagner and Hershey Bowers.

St. Paul's Lutheran: President, Filmore Bream; secretary, Luther Lawver; treasurer, Lloyd W. Kleinmiller; financial secretary, Robert Shaffer; elder, Warren K. Enck; deacon, Earl Crum.

A joint council meeting of Trinity Lutheran Church, Arendsville, and Flob's Lutheran church was held Monday evening at Arendsville.

The following were elected for the joint council: Vice president, Harry Deardorff, and secretary, Burton Wolff; officers elected for Trinity Lutheran were: vice president, M. E. Knoose; recording and financial secretary, Lewis Bosserman; and treasurer, Charles R. Hartman.

Those elected at Flob's Lutheran were: Vice president, Clarence Swisher; recording secretary, Clarence Kretzmer; financial secretary, Clarence Deardorff, and treasurer, John Settle.

Today's Talk

THE MIRACULOUS

Never will I cease to wonder. There are forces in the world that are forever in movement. I read Emerson because of his inspirational power. In one of his Source," he said: "The heart which abandons itself to the supreme Mind finds itself related to all its works, and will travel a royal road to particular knowledge and powers." There is a unity in the working of nature that inspires this in human beings. I feel like saluting everything beautiful, no matter where I meet it. We could not long exist if the earth did not constantly serve its food and treasures to us all. I have read that the negro scientist Dr. George Washington Carver "talked with flowers." I see nothing strange about this, for I do the same thing. I also bow to many a gigantic tree, like those redwoods in California. You feel insignificant before them. When I look into the bloom of a rose I feel myself within it. I converse with the hills! I am a silent poet as I look out upon the sea, as it washes itself upon the sand, tossing shells that are a work of art, no matter how small they may be. There is something hidden within each shell that reminds us of the secrets within us, that they have been concealed by the Infinite. How can anyone doubt the existence of an Overseeing Father as Creator upon this earth? You can read the evidence in a drop of dew upon any springtime flower! You can see miracles anywhere if you will but cast your eye upon the commonest creations. Count the needles upon one pine tree, then upon another variety of pine. Why do the number of needles vary? I have often wondered. All nature is a miracle.

Just Folks

THE LEADERS

The world is full of men who rush
To deeds that are but commonplace;
The trials men have faced before
And shown the way, they bravely face.

The plans that other men have thought
The thousands build on, day by day;
And fights that other men have fought
The thousands fight the self-same way.

But he who to the top would climb
Must join his fortunes with the few,
Must patiently abide his time
And learn to think as well as do.

James MARLOW Reports

The Associated Press

WASHINGTON (AP) — President Eisenhower enters next week his sixth year of fighting the cold war. How does it look? More intense than when he started.

Nothing shows it better than comparing what he said when he first took office in 1953 with what he's saying now.

His dream in 1953 was to cut government spending and balance the budget. He managed to make the balance twice, in 1956 and 1957.

He may not be able to do it again for the remainder of his second term. He had just submitted to Congress the biggest peacetime budget in history.

No End In Sight

He managed to get an end to the shooting war he inherited—the one in Korea—but the Russians have been stepping up the pace of the cold war steadily.

They've been doing it with their economic aid to other countries and their sensational strides in weapons development.

Eisenhower's record budget this year is the result—an effort to keep pace with Russia. And there's no end in sight.

Got Tax Cut Through

In his first State of the Union message in 1953, Eisenhower said: "Our problem is to achieve adequate military strength within the limits of endurable strain upon our economy. To amass military power without regard to economic capacity would be to defend ourselves against one kind of disaster by inviting another."

He managed to get through a 7½-billion-dollar tax cut in 1954, when Korean military spending dropped. But there's no tax cut in sight this year, although Congress years for it in this election year.

And, instead of coming down, government spending has been going up. In his 1958 message to Congress Jan. 9 Eisenhower, perhaps wistfully, still expressed hope for balancing the budget by keeping expenses below revenue.

Starting Him In Face

And by the time yesterday came around Eisenhower was talking of the possibility of deficit spending again.

He said, in answer to a question at his news conference, that he'd rather consider deficit spending than an increase in taxes that would balance the budget by giving the government added revenue.

And there's a reason: at a time

The Board of Directors of the First National Bank of Fairfield will entertain the stockholders and guests at a turkey dinner to be held

like this, when the economy has been slipping, taking more tax money from people would leave them less spending money and perhaps hurt the economy more than deficit spending by the government.

This was the kind of dilemma Eisenhower thought in 1953 he could banish. But after all his trying, thanks to the Russians, it's staring him straight in the face.

FURMAN WILL

STAY IN RACE

PITTSBURGH (AP) — Lt. Gov. Roy E. Furman says he doesn't care "one way or another" whether Allegheny County Coroner William D. McClelland or anyone else opposes his bid for the Democratic gubernatorial nomination.

Furman's remarks were contained in a statement issued yesterday after McClelland said he was flattered to be what he described as Furman's chief concern in the race.

"I have great personal respect for Dr. McClelland, but I can assure him that I would not have made any announcement for governor without first determining that I had sufficient support through Pennsylvania to make my stand against any candidate," Dr. McClelland, a Pittsburgh dental surgeon, lost the 1954 Democratic gubernatorial nomination to Gov. Leader. He has been mentioned as a possible candidate this year.

Meanwhile in Harrisburg, Clarence P. Bowers, a Reading industrialist, confirmed he will meet Saturday in Pittsburgh with Edward J. Kelsky, a Pittsburgh businessman, to discuss finances for Furman's campaign.

FRIDAY, JANUARY 17

Coach Jim Phelan Of Mount St. Mary's Shows Evidence Of Being Master Cage Mind

This was the season when the law of averages was to catch up with Jim Phelan, Mount St. Mary's (Emmitsburg) head man. Jack Sullivan, greatest scorer in Maryland cage history, had departed leaving behind him a string of almost untouchable records and the talk was that now Phelan would have to coach a little with his bread-and-butter shooter out of the lineup.

The experts were only partly right about the young ex-LaSalle star. During the past three years Phelan and his Mountaineer cagers have dominated the 15-team Mason-Dixon cage conference much like Bud Wilkinson and his Oklahoma Sooners have handled Big Eight grid opponents. Over that span Phelan has racked up a 47-4 record in the conference, including nine straight tourney games which have won him club conference titles in each of his three years and a .922 league performance percentage. Including five outings this season, Phelan stands at 52-4 for a .929 log. Overall Phelan has a 77-17 record for an .819 mark, one of the finest coaching records in cage history.

"Ran Out Of Gas" During Sullivan's career the Mountaineers broke the school scoring mark in each of Phelan's coaching years, set a high mark of 27 wins last season, and ran up the longest consecutive winning streak in school history with a string of 21 which was halted by Kentucky Wesleyan in the semifinals of the NCAA College tourney last March. The Mountaineers just ran out of gas against Kentucky as they played eight tourney games in 12 days.

What the experts overlooked in prophesying the Mountaineer demise was that Phelan could coach. Faced with the problem of a weak offense with the loss of Jack Sullivan and a preseason injury that robbed him of one of his bright young stars, Dick Talley, Phelan turned to the game he knows best—defense. At LaSalle and again with the Quantico Marines, Phelan's mates had labeled him the "Hawk" because of his uncanny defensive ability. Now something of the coach's own skill has rubbed off on his club. In ten games the Mountaineers have allowed only 624 points for a 62.4 defensive average despite the fact that his first team has played less than a half in three games while starting forward Joe Sullivan missed two others. As a result, the Mountaineers are 5-0 in the conference where their opponents have picked up only 60.4 points per game while the Mountaineers have managed 88 per outing. Overall the Mounties have an offensive mark of 82.9 for a point spread of 20.5.

How To Georgetown

Georgetown tumbled Phelan's crew 73-69 in early season in Washington when Phelan's crew dozed through a miserable first half to go into the dressing room down by 18 points. At the final whistle the Hoyas were hanging on for dear life as the Mountaineers roared.

back. This one Phelan would like to play over. Phelan's charges are beginning to realize that defense can be fun. The Mountaineers have varied their play to capitalize on their opponents' weaknesses and have modified their ball hawking to suit the situation. As a result they have been extremely tough to handle and have been getting sharper with each outing.

Speedster, Jack Marshall, a quick 6' ex-Northeast Catholic (Philadelphia) back court ace whom Phelan considers his most underrated player, has been backed up by Jerry Bohlinger, 6'6 forward and ex-LaSalle High ace and Bill Williams, 6'6 center, who have worked the boards with authority in recent outings. Senior Joe Sullivan, brother of the fabulous Jack, has been one of Phelan's surprise stars. The 6'3 forward has been rugged off the boards and has hit in double figures. Star offensive Mountie starter is Junior Bert Shealing with a 15.6 point average and 1.038 point turn far in his career. The Wilmington flash also has the speed to break with Jack Marshall and the two sixfooters give the Mountaineers a dangerous crew out front in defense.

"Giant Killer"

Phelan's crews have been something of a giant killer during his three years at the Mount helm. In his first campaign the Mountaineers dumped two NIT outfits, tumbling St. Francis of Loretto with the fabulous Maurice Stokes and derailing Danny Lynch's St. Francis of Brooklyn Terriers. They have also upended CCNY, Georgetown, St. Peter's of Jersey City, tough little Steubenville College and North Carolina College. Last year they whipped Al Severance's favored Wildcats at the Palestra in convincing fashion 85-70 with Sullivan making the Palestra all-star team. In outside competition Phelan has a 25-13 log despite the fact that 21 of the 38 games have been on the road.

This season Phelan has won a new respect from his colleagues in the Mason-Dixon area. Since the Mountaineers have gone on winning just as regularly as they did in the past, even though they seem undermanned, some of the glory is going where it belongs—to the coach. Already the Mountaineers have broken precedent by winning four straight M-D flags. If they pick up another Maryland fans will be hard put to it to decide whether top coaching laurels belong to Bud Millikan who has built a rugged outfit at the university or to Jim Phelan who is winning when he should be losing. In Western Maryland it would be no contest—Phelan would win hands down.

Shapiro Disclaims Bill Responsibility

HARRISBURG (AP)—George R. Sample, general manager of the Corry Evening Journal, will be cited by the Pennsylvania Newspapers' Association for safety promotion tomorrow at the PNPS's annual executive committee dinner.

Edward Gogolin, general manager of the Pennsylvania Motor Truck Assn., will present the special merit award to Sample on behalf of the American Trucking Assn., which annually sponsors a safety writing contest among newspapers.

Sample was chosen for the award for an editorial promoting public safety.

STOCKS MOVE UP

NEW YORK (AP)—The stock market surged forward in heavy trading early today as lower margin requirements flashed the green light for advancing prices.

Key stocks rose 1 and 2 points or more. The opening rush put the ticker tape well behind in reporting floor transactions. The buying rush was keyed to the lowering of margin requirements to 50 per cent from 70 per cent, announced by the Federal Reserve Board after yesterday's close of the New York stock exchange.

HARRISBURG (AP)—Welfare Secretary Harry Shapiro has disclaimed responsibility for any unpaid bills at the Danville State Hospital.

Aud. Gen. Charles C. Smith charged yesterday that an audit of Danville accounts as of May 31, 1956, showed \$114,623 in unpaid bills. He asked that the Justice Department take action to collect the bills.

Shapiro, who has exchanged verbal barbs with Smith several times in the past, said in a statement: "Smith's talking about care for patients in the hospital who, the Revenue Department feels, can pay their bills. This is entirely in the hands of the Revenue Department, not in ours."

CANCEL STRIKE OF CONDUCTORS ON NYC RAILS

NEW YORK (AP)—A strike of New York Central Railroad conductors on trains east of Buffalo, N.Y., was called unexpectedly by a union division early today, and then ordered canceled by national union officials 10 minutes before the 6 a.m. walkout hour.

The rapid-fire developments led to considerable confusion at New York's big Grand Central Terminal, both among railroad officials and prospective passengers.

At first it was believed train schedules might be seriously snagged, because of conductors failing to get the back-to-work order in time.

Only one train actually failed to run, a local to Poughkeepsie, N.Y. Some others were delayed as much as 48 minutes but by 7:45 a.m. the railroad said both long distance operations and commuter service in the metropolitan area were about normal.

Protest Layoff

The strike was called shortly after 4 a.m. by Division 54 of the Order of Railroad Conductors and Brakemen in protest of what it termed a conductor layoff plan of the railroad.

At 5:50 a.m., J. A. Paddock, senior vice president of the union, sent out strike cancellation notices from the union's national headquarters in Cedar Rapids, Iowa.

He did not disclose what prompted his action, but said union and railroad representatives would meet at Syracuse, N.Y., for discussion of contract provisions.

The meeting is scheduled for this afternoon.

TRENTON, N. J. (AP)—The State Board of Architects last night announced it has imposed fines of \$1,700 on nine persons.

The board said fines for illegal practice of architecture were imposed on Ray G. Schultz, Feasterville, Pa., \$50.

Fines for using an architect's seal without authority, the board said, were levied against Jack Swerman, Chester, Pa., \$200.

Bullets Surprise Diplomats 65-59; Freshmen Bow 66-65; Temple Quint Here Saturday

After a nip and tuck second half during which the lead changed hands four times and the score was tied upon five occasions, the Gettysburg College dribblers spurted in the final 2:50 minutes to take a surprise 65-59 decision from Franklin and Marshall at Lancaster Wednesday evening.

In taking their third victory against nine losses, the Bullets led most of the first half and then slipped behind early in the second half after committing a number of errors.

F. and M. jumped out to a 6-4 advantage at the start but the Bullets caught up at 7-7 on goals by Walt McGowan and Del Warfel and went ahead on Bob Walsack's set. Sweetman's goal again knotted the score but then Bob Hulton's charges went to the front and midway in the period led 23-14. The Diplomats began chopping the lead and slashed the Gettysburg lead to 31-27 at half time.

Thrilling Finish
The Diplomats got their first lead since early in the game when Jim Weinstein bagged a pair of fouls to make it 35-35. After a 39-39 tie, F. and M. took the lead and built up a 44-39 advantage before a pair of goals by McGowan and a layup by Frank Capitani sent the Bullets to the front 46-44. The score was tied at 48-48 and 55-55 with 2:50 minutes remaining. A pretty three-point play by Warfel and a driving layup by Capitani sent the locals ahead before Al Kugle landed a jump for the Diplomats. Another three-pointers, this time by McGowan, plus a pair of fouls by Frank Grzelecki wrapped it up for the Bullets.

Gettysburg's play was improved, 26 of 60 shots finding the target as compared to 20 of 63 by F. and M. The locals grabbed 47 rebounds to 43 for their opponents. The Bullets got good clutch reserve performances from Grzelecki and Walt Melnik.

McGowan topped all scorers with 22 points, landing his nine goals on 18 shots. Walsack connected on six of seven tries. The three-game winning streak of the Bullet freshmen (3-5) came to an end in the preliminary game when Bob Baran landed a goal in the final 15 seconds to give the Diplomat yearlings a 65-55 triumph.

The season's largest crowd is expected to jam the college gymnasium Saturday night when the Bullets tangle with 12th ranked Temple, the magnet being Guy ace. In the preliminary the freshmen meet York Junior College.

CAGE CHAMPS CONTROL PLAY

HARRISBURG (AP)—Major league and district champions appear to have firm control after the first two weeks of Pennsylvania's schoolboy basketball season.

These were the major results by regions:

In the west:

Dist. 6—Altoona, chalking up its third win in a row after having lost the season opener, downed Punxsutawney, 56-42.

Dist. 7—Sharon continued its forceful campaign to remain WPIAL champion, crushing Midland, 52-32.

Farrell, meanwhile, took Ambridge, 55-47, and Ford City, a newer potent WPIAL force, trounced Butler, 65-46.

Dist. 9—Clearfield, idle Tuesday, will be fighting to break even tomorrow against Kane.

Dist. 10 — Both major powers continued winning streaks here, district crown-holder Erie Strong, Vincent beating Jamesstown (N.Y.) 85-59, and Meadville downing Erie Academy, 57-33.

In the east:

Dist. 1 — Chester, the runner-up state champ, inflicted more heavy punishment on a would-be rival, defeating Abington 73-45.

Dist. 2 — District king Nanticoke continued its Wyoming Valley League sweep, knocking off Newport Twp. 71-55.

Dist. 3 — Reading made its Central Penn record 3-1 for the season drubbing Central Dauphin, 70-48.

Dist. 4 — Coal Twp., idle last Friday in the Keystone League, upended Shamokin on Tuesday, 72-48.

Dist. 11—Allentown, which opened its league season with a loss to a powerful Hazleton team, eked out a win over Allentown Central Catholic, 54-50, on the district champ's home court.

Hazleton meanwhile, romped over Pottsville, 68-46. Palmerton continued its successful campaign to remain Lehigh Valley League champ by beating Lehigh, 47-45 in two overtimes.

Vanguard Rocket Is Ground Tested

CAPE CANAVERAL, Fla. (AP) — Martin Co. and the Navy ground tested the main engine of the Vanguard rocket in the rain last night. The results were happy.

Pleased workers on the big Martin-built satellite launching vehicle reported that the whole enterprise "looked good."

This was the unofficial accounting of the rocket test. Officially, the Defense Department in a statement issued an hour and a half after the firing said only, "There was a routine static test of a missile."

WEST VIRGINIA LOOMS BRIGHT AS CAGE CHAMPS

By ED WILKS
What a difference a year makes North Carolina, the NCAA title holder, has hit the skids while West Virginia's Mountaineers have gained a poised, championship look.

The Mountaineers, top-ranked in this week's Associated Press poll played it cool again last night, calmly coming from behind for a 71-64 decision over Pitt and a 13-0 record.

But sixth-ranked North Carolina, losing two in a row for the first time since the end of the 1955 season, was knocked off 58-57 in overtime by North Carolina State for the Tar Heels' third defeat in 14 starts.

Just 12 months ago, North Carolina was in the midst of its unbeaten run on the national title while West Virginia was recovering from a three-game slump.

Bradley Is Beaten

Bradley followed North Carolina onto the upset heap, losing 71-70 to St. Louis on a free throw by Bob Ferry after the final gun. It was the second loss in 11 games for the 10th-ranked Braves.

Elgin Baylor scored 53 points—a school record and enough to make him a solid third in national major college scoring — as Seattle whipped Montana State College 108-83.

Temple (No. 12) gained an 11-2 record with a comeback, 72-61 victory over Penn. and Dartmouth (No. 19) escaped upset and retained the Ivy League lead with a 67-64 decision over Harvard.

Win In Rally

The Mountaineers barged theirs in the last 3 minutes as Lloyd Sharrar, the 6-10 guy who scored the clincher in last week's squeaker past Villanova, converted a rebound for a five-point sprint.

North Carolina, which had won 24 in a row at home, blew 17 of 42 foul shots while dropping out of a first place tie with Maryland for the Atlantic Coast Conference lead. Maryland defeated North Carolina Saturday. Tar Heel Tommy Kearns was high scorer with 17 points last night.

Tom Hawkins scored 28 for Notre Dame as the Irish, behind at the half for the first time this season, broke loose with 33 points in the last 13 minutes for a 69-61 decision over DePaul.

George Washington's zone defense defeated William & Mary 91-80 as Bowling Green defeated Toledo 67-65 in the Mid-American.

Holy Cross defeated Syracuse 80-71.

CLEVELAND (AP) — Augustine

G-BURG MATMEN DEFEATED 17-9 BY PENN SQUAD

Gettysburg College's wrestlers lost their second match of the season Wednesday afternoon when they dropped a hard fought affair to the University of Pennsylvania 17-9 at Philadelphia.

A forfeit in the 130-pound event proved costly to Jack Ridinger's squad. Dave Thomas fell victim to grip Tuesday evening and was unable to accompany the squad on the trip. Thomas is the only 130-pounder for the thin Bullet outfit and there was no replacement available.

It took the final heavyweight event to decide the winner with Traendly, a 300-pounder, taking a 6-0 decision from Marty Hoffer.

Three Gain Decisions

The Bullets' points came on three decisions by Tom Propst, 123; Captain Barry Kunkel, 137, and Co-Captain Paul Nomas, 167. There were no falls during the match.

Penn is now 3-1 for the season and the Bullets 1-1-2. Gettysburg will be idle until February 5 when F. and M. will be met at Lancaster.

123—Propst, G. decided Asadorian, 11-8.

Yardley Moves Up In Scoring Lists

By THE ASSOCIATED PRESS
George Yardley, veteran of five years in the National Basketball Assn., finally has pulled out of his shooting slump and is rapidly pulling away in his bid for individual scoring honors.

After scoring only 108 points in five previous games, the former Stanford star tallied 51 points last night while his Detroit Pistons were dropping a 131-113 decision to the Boston Celtics to run his total for 40 games to 1,065 points.

Dolph Schayes of Syracuse, holder of the career record in professional basketball, is second with '66. He is followed by Cincinnati's Clyde Lovellette with 939 and St. Louis' Bob Pettit with 936. Schayes and Lovellette also have played 40 games and Pettit 38.

HERSHEY LEAD IS DWINDLING

The Hershey Bears' once-fat lead in the American Hockey League had dwindled to four points today following the Cleveland Barons' 4-2 victory over the circuit leaders.

In the league's only game last night, the Barons struck from behind to tie the score in the second period and then tallied twice in the third session.

Down 2-0 after Arnie Kullman had scored in the first period and Ed Panagabko early in the second for the Bears, the Barons tied the score on goals by Boris Elik and Don Hogan.

Jimmy Moore sank what proved to be the deciding goal at 8:08 of the third period. Steve Kraftcheck added the fourth with four seconds remaining after Hershey had withdrawn goalie Gil Mayer in favor of six attackers.

Mount Win Streak Snapped By St. Vincent's 82 To 72; At Steubenville Tonight

A seven-game winning streak came to an end for the Mt. St. Mary's College cagers Wednesday evening at Latrobe where St. Vincent's rallied in the second half for an 82-72 win.

The tight game saw the score deadlocked 13 times and the lead exchange hands the same number of times.

Jack Kalbus caged a pair of fouls for the Bearcats to break a 64-64 deadlock and the home team led thereafter.

The Mount, now 9-2, takes on Steubenville in the Ohio city tonight. Steubenville's lone loss this season was to the Mountaineers 67-66 at Emmitsburg last month.

Jim Phelan's squad, set the pace in the first half and at intermission was on top 43-40. Early in the second half the Mount built up a nine-point lead but the Bearcats kept snipping away at the lead and finally moved to the front, 66-64, never to be headed.

Mt. St. Mary's hopes were shattered when Bill Williams, who had tallied 14 points, fouled out with six minutes remaining. Joe Sullivan also was ejected on fouls with five minutes left.

Fouls Costly

St. Vincent's converted 26 free throws as compared to but eight for the Mountaineers. From the field the Mount outshot their opponents 33-28.

Bert Sheing sparked the Mount attack with 13 goals while Jack Kalbus chalked up 29 points for the Bearcats.

St. Vincent's record is now 7-4.

GIL TURNER IS OUTPOINTED BY VINCE MARTINEZ

PHILADELPHIA (P)—It will be Vince Martinez against Isaac Logart for the vacated welterweight championship — National Boxing Assn. version.

Martinez won the right last night for the fight to determine a successor to Carmen Basilio as welterweight king by outpointing Philadelphia's Gil Turner in a 12-round bout. Basilio gave up the title after winning the middleweight crown from Ray Robinson.

Martinez, of Patterson, N.J., received only a split decision but established a clear superiority over Turner with sharp punching, especially in the final three rounds.

May Meet Logart

Referee Pete Pantaleo scored Martinez the winner by a single point under the Pennsylvania five-point maximum system, 54-53. Judge Jimmy Mina voted for Martinez 56-54. Judge Nate Lopinson surprised the crowd of 7,120—it paid \$37,959 — by calling a 55-55 draw. The Associated Press scored Martinez a handy winner, 54-48.

The NBA said last week the winner of the Martinez-Turner bout should meet Logart, who earned a final berth in the welterweight elimination tournament by defeating Gaspar Ortega last month.

If and when Martinez and Logart meet, they still face the problem of nonrecognition in some areas. The World Boxing Championship Committee, headed by Julius Helfand of the New York State Athletic Commission, has declared it will not recognize a 147-pound champion until Virgil Akins of St. Louis and George Barnes of Australia are eliminated in the ring. Massachusetts, which recently seceded from the NBA, has declared Akins the champion.

COACH ISSUE BREWS AT A&M

COLLEGE STATION, Tex. (P)—Officials of Texas A&M, embroiled in dissension over selection of a football coach, try today to sift some order into their seemingly endless hunt.

With criticism coming from all sides, Dr. Chris Groneman, chairman of the Faculty Athletic Council, said his group would try to appraise the situation.

Even Gov. Price Daniel has gotten into the act, calling for a complete report on the much-criticized search for a successor to Paul Bryant, who quit Jan. 1 to become head coach at Alabama.

W. T. Doherty of Houston, chairman of the college Board of Directors, sacked the board's Athletic Committee yesterday.

"This simply is a move which I believe to be necessary to clear up a confused situation which is damaging to the A&M College of Texas," Doherty said.

Earlier, alumnus Gene Howard, 1957 president of the Houston A&M Club, called on four of the five members of the Athletic Committee to resign from the Board of Directors. He accused them of fumbling the recruiting.

Blackbourn Goes After Eagles Job

PHILADELPHIA (P)—Lisle Blackbourn, who was fired a week ago as coach of the Green Bay Packers, has tossed his hat into the ring for the vacant head coach job of the Philadelphia Eagles.

General manager Vince McNally said yesterday that Blackbourn phoned the Eagles and asked to be considered when the Eagles here select a successor to Hugh Devore, who was recently dismissed.

Other than to say that Blackbourn would be given every consideration, McNally would make no further comment on the National Football League club's search for a head coach.

ICE CAPADES TO PLAY HERSHEY

HERSHEY, Pa. — Statuesque Helen Davidson, who has been pleasing Ice Capades audiences for a decade with her fine solo skating, takes on Jimmy Grogan, former world's and Olympic competitor, as her partner in this year's edition of the show, coming to Hershey

DAVIDSON, GROGAN

Sports Arena, February 13 through 25.

While individual efforts are gratifying from the standpoint of ice show patrons, it is a well known fact that the business of hitching up a pair of ice artists is an ideal form of embellishment for both principals involved, and an essential requirement for Puccini's "Madame Butterfly," in which they co-star.

In addition to the profile presentation of the Puccini operatic masterpiece, Ice Capades is also featuring a miniature production of Bizet's "Carmen," in which Cathie Machado, Ronnie Robertson and Bobby Specht have the top roles. And, adding authenticity to the presentation, Mercedes and Albana, Jose Greco trainer Spanish dancers, perform on a special constructed ice stage.

For the kiddies there is Walt Disney's "Fantasia," with the familiar music of the "Nutcracker Suite" providing a lulling background. Wooden soldiers and dancing hippopotamuses cavort about the frozen stage for the amusement of the small fry.

Such popular funsters as Freddy Trenker, Eric Waite and Johnny Labrecque and Johnny Gray are again on hand, plus a brand new personality, Helga, the German champion.

STATE OFFICIAL EXPIRES TODAY

BEDFORD, Pa. (P)—Milton Weisberg, 42, deputy state secretary of labor and industry, died in Bedford County Memorial Hospital today of injuries suffered in an auto-truck pileup on the Pennsylvania Turnpike.

Weisberg, a resident of Pittsburgh, died at 7:15 a.m.

He and his assistant, Joseph Marino, 36, also of Pittsburgh, were injured in the same crash on Tuesday.

Their auto was operated by Marino.

Marino's left leg was amputated several hours after the crash. He is listed in fair condition.

Weisberg suffered a severe thigh injury in the accident. He underwent surgery and received a blood transfusion several hours after the accident.

HALL OF FAME BECKONS LOPEZ AND BOUDREAU

By FRANK ECK
AP Sports Editor

Only two hitters with lifetime batting averages of less than .300 have been elected to Baseball's Hall of Fame by the Baseball Writers' Assn. of America. Al Lopez, manager of the Chicago White Sox, could be the third so honored.

Lopez batted .261 during his 18 years as a major league catcher but he was a great catcher. His feat of catching 1,918 major league games is a record. He also caught the most games (1,861) in the National League where he spent most of his playing days with Brooklyn, Boston and Pittsburgh.

For 12 seasons Al caught more than 100 games, a record he shares with Gabby Harnett, a .297 hitter for 20 years. Harnett was elected to the Hall of Fame in 1953. Only other hitter below .300 in the hall—named by the writers—is Rabbit Maranville who batted .258 for 22 seasons.

Basis Of Selections

"Candidates shall be chosen on the basis of playing ability, integrity, sportsmanship, character, their contribution to the team on which they played and to baseball in general," is one of the rules to which the baseball writing members of 10 years standing must adhere.

Lopez fits each of these categories. Another thing that will help the delightful senior from Tampa's Ybor City is his popularity and the manner in which he has managed in Cleveland and Chicago.

Lou Boudreau, deposed Kansas City manager, is another who fits the Hall of Fame particulars. He was one of the most successful player-managers in big league history. In 13 seasons he hit .295 and was an energetic shortstop. He devised the Ted Williams shift and gained fame as a strategist by perfecting the pickoff play at second base.

Writers Vote This Year

Baseball writers now vote in the even years, while old timers are voted in by a committee of baseball officials in the odd years. Writers, who may vote for 10 men every other year, two years ago elected Joe Cronin and Hank Greenberg. Old timers named by officials last year were Joe McCarthy and Sam Crawford. Maybe next year the committee will pick Casey Stengel. He last played in 1925 and therefore is ineligible to be chosen by the writers who must keep their choices to players active in the last 20 years.

To get into the hall, a player must have been retired as a player for the last five years. He must have played in at least 10 big league seasons. Players must appear on 75 per cent of the ballots.

Besides Lopez and Boudreau here are this writer's other eight selections.

Top Prospects

VERNON (LEFTY) GOMEZ — Eccentric Yankee southpaw who was unbeaten in World Series play while winning six decisions. In 13 seasons his record was 189-102.

STANLEY (BUCKY) HARRIS — Hit only 274 but made baseball history as a 27-year-old playing manager when Washington beat John McGraw's Giants in the 1924 World Series.

TOMMY HOLMES — Set a National League record hitting safely in 37 straight games with the Boston Braves in 1945. Hit above .300 five straight years. Lifetime average .302. Hit 28 homers in 1945 to lead NL.

ED ROUSH — Cincinnati and Giant outfielder who hit .323 for 15 seasons. Led National League with .341 in 1917, missed by two points with .333 in 1918 and led with .321 in 1919.

CHARLEY (RED) RUFFING — Right-handed pitcher with a 273-225 record for 21 years with the Red Sox and Yankees. Has a 7-2 World Series record.

JOHNNY VANDER MEER — Had 119 - 121 record but his chief claim to fame was the two successive no-hit games he pitched for Cincinnati in 1938.

BUCKY WALTERS — Compiled a 198-160 pitching record for 18 seasons. A former third baseman with the Phillies, Walters had a 27-11 record for Cincinnati in 1939.

HACK WILSON — Three times he led the National League in home runs. He hit 56 in 1930. One of the best right-handed sluggers in modern baseball, he hit 244 homers in 11 years. He hit above .312 five straight years with the Chicago Cubs and had a .307 lifetime average.

Mayer Beats Scoring Jinx; Wins U. S. Open

TOLEDO, Ohio (P)—Dick Mayer beat a scoring jinx when he won the 1957 U. S. Open golf championship at Inverness last June. Mayer and Billy Joe Patton were tied with 138's at the halfway mark.

Sam Snead set the record of 138 for 36 holes in the National Open at Riviera in Los Angeles in 1948 and Ben Hogan tied it at Northwood in Dallas in 1952. Neither Snead nor Hogan won the title those years.

VX-6

Yes, the Reader's Digest released the exciting story of how a battery can last longer than the life of a car: it tells how the battery is every motorist's greatest headache. If left unattended, it dies. If it gets low in sub-zero weather, it is likely to crack. It usually has to be replaced every year! Yet now you can have a battery that runs 10 years or more! Now you can have the same lifetime power as an expensive nickel-cadmium battery famous the world over... simply by pouring a little "VX-6" into each cell!

A battery which lasts longer than your car! Europe has had them for 40 years.

Makes dead cells come to life in 5 minutes. Old batteries last from 5 to 8 years. Put "VX-6" in your new battery... will last the life of your car. Insured by Lloyd's of London.

"VX-6" is selling like hot cakes to the farmers for their trucks and tractors. Thank you, country folks, for your orders.

\$2.99 for 1 tube, \$5.00 for 4 tubes, takes care of two batteries.

Second Pair Flee From Penitentiary

BELLEFONTAINE, Pa. (P)—State police searched this central Pennsylvania area today for the second pair of prisoners to flee Rockview state Penitentiary this week.

The latest to escape were working yesterday with a group trimming evergreens in a wooded area about a mile and a half from the prison.

They were identified as Edward Babcock, 23, Erie County, and Albert L. Rummell, 24, Cambria County. Babcock was serving a

PUSH STUDY OF EDUCATION

HARRISBURG (P)—The Legislature's research arm today pro-

ceeded on a two-way study of education in Pennsylvania.

Two committees were named by the Joint State Government Commission yesterday, one to make a study of public school problems, and the other to survey higher education.

Sen. Paul L. Wagner (R-Schuylkill) was chosen to head the public school committee. Sen. Robert D. Fleming (R-Allegheny) was put in charge of the second group.

Rep. Baker Royer (R-Lancaster) commission chairman, said its staff already has completed "extensive groundwork" on subjects

PHELAN NAMED TO NCCA BOARD

Coach Jim Phelan, Mount Saint Mary's College, Emmitsburg, has been appointed Maryland representative to the NCAA ranking board for College Division basketball teams, according to an announcement made today by Walter Byers, executive director of the NCAA.

Representatives from the 48 states will file weekly rankings of the top ten small college teams in the United States regardless of whether or not the institutions belong to the NCAA. Rankings will be filed with and released weekly through the United Press. If the ranking system proves satisfactory a similar ranking system will be begun for the 1958 football season.

Other area rankers are David Garrasco, American U. basketball coach, who will rank for Delaware and the District of Columbia, and Richard C. Madison, basketball coach of Swarthmore College, who will rank for Pennsylvania. Both American U. and Mount St. Mary's are members of the Mason-Dixon Conference whose champion gets an automatic berth in the NCAA College tourney.

turned over to the commission by the 1957 Legislature.

These include Gov. Leader's program for 5,000 college scholarships, a system of junior colleges across the state and student loans.

Royer said the two school committees would make a "more comprehensive" study of educational problems.

Royer also named task force chairmen for other studies on which reports will be made to the 1959 Legislature.

Yale's ice hockey team includes five players from New Jersey. They are Al Beadleston, Oakley Hewitt, John Pitts, Reeve Schley and Peter Ward.

Big Money And Heartbreaks Are Stakes For Many Youths At Farm Show Auction Today

By RICHARD L. GRAVES
HARRISBURG (P)—Big money and heartbreak were the stakes today as 125 youngsters paraded their prize steers in the annual 4H Club baby beef competition at the 1958 Pennsylvania Farm Show. Win or miss in the judging, all the youngsters knew they would lose their pets of a year on the auction block tomorrow.

Farm show officials looked for the price of the 1958 winner to top last year's high bid of \$167 a pound. That bid brought 15-year-old Glenn Foreman of Manheim, \$1,765 for his 1,075-pound hereford "Rex."

In other action 4H boys and girls from nine counties presented 42 pens of lambs for the scrutiny of the judges. Like the baby beefs, the lambs, grand champion and runner-up alike, go to the auctioneer tomorrow.

Farm Dinner Today
Farmers and business officials from throughout the state came to Harrisburg today for the 15th annual farmer-business dinner, held annually in conjunction with the Farm Show.

The affair is sponsored by the Pennsylvania Farm Bureau Cooperative Assn., Pennsylvania Cooperative potato Growers Inc. and the Pennsylvania Chain Store Council.

The Pennsylvania Dairymen's Assn. today threw its weight behind efforts to establish an Eastern Dairy Exposition in the Farm Show Building. Noting the success of last fall's first annual Pennsylvania Livestock Exposition, the dairymen proposed that the all-day show be held in conjunction with the annual junior dairy show held at the exposition building.

"Menu Of The Year"
Dr. James Wiley of Myerstown, Lebanon County, was honored as "Allied Industry Man of the Year" by the Pennsylvania Poultry Federation at its annual meeting held in conjunction with the show.

The poultryman's group cited Dr. Wiley, a veterinarian, "for his outstanding service to the industry." Wiley was president of

M'ELROY MOVES TO REALIGN DEFENSE SETUP

WASHINGTON (P)—Democratic Leader Lyndon B. Johnson of Texas called on President Eisenhower today to take full responsibility for Defense Department reorganization—something Eisenhower indicated he is reluctant to do.

Johnson, who heads the Senate Preparedness subcommittee, said it is encouraging that Secretary of Defense McElroy "is drawing upon experienced people to come up with a specific plan for reorganization."

McElroy named Gen. Nathan Twining, chairman of the Joint Chiefs of Staff, and two of his predecessors, Gen. Omar N. Bradley and Adm. Arthur Radford, to advise him on defense realignments. A number of civilian advisers also will be named, McElroy said, but they, like the military men, will act as individual advisers and not a committee.

"An Executive Function"
While Johnson applauded this action, he made it clear he wants the administration to take the responsibility for drafting a plan and then to spell out to Congress any legislative changes that are needed.

"This is properly an executive function and detailed recommendations will be very helpful to Congress," Johnson said.

Eisenhower told his news conference for a detailed organization reference he would be "the last in which I believe" because such an organization had to be effective in the long range after he was no longer president.

He said there must be a consensus reached with Congress and the armed services heads on any plan and his own personal convictions could not be the final answer.

Johnson said he hopes the reorganization question can be settled during this session of Congress.

Changes Mind; Plans To Remarry 2nd Mate

CINCINNATI (P)—It's a woman's privilege to change her mind and a suburban Clifton woman has apparently decided to take full advantage of it.

Mrs. Marion Blankemeyer, 31, has applied for a license to remarry her second husband after being twice divorced from her first mate. She first married Clem Blankemeyer, then divorced him to marry Charles Mason. She then divorced Mason to remarry Blankemeyer, then divorced Blankemeyer a second time and now plans to remarry Mason.

DIRTY WORK
MADISON, Wis. (P)—The thief who stole a bag of laundry from a parked laundry truck probably was disappointed.

The bag contained dirty diapers.

the poultry federation 1954-55 and is a director.

A 15-year-old Cumberland County girl took an unprecedented two first places and five championships in Jersey cow competition in the highlight of yesterday's judging.

Girl Sets Record
The record was set by Margaret Sheaffer, Carlisle R. 4.

Her two entries stood at the top of their classes in the two to three year old freshened heifer division and the one year to 18 months heifer competition. Both are in the 4H Club class.

She also won the 4H championship reserve championship, grand open class championship, junior championship and reserve senior championship, all in the female class.

The highlight of the night activities was the state horse pulling championships, won by Erie County and Columbia County teams.

The pair owned by Paul Graham, Union City, Erie County, won the heavyweight championship, pulling the equivalent of 21.7 tons a distance of 24 feet, three inches across the main arena.

The team owned by Ray Kessler, Millville, Columbia County, won the lightweight championship, pulling 20.1 tons 16 feet.

Report AFL-CIO Fires 100 Organizers Effective Feb. 1

NEW YORK (AP) — The New York Times quoted informed sources Wednesday as saying the AFL-CIO has abolished nearly 100 organizers' jobs.

Some of the organizers are being retired involuntarily, some are being transferred to a new speakers' bureau that is being set up in the public relations department and a substantial number are being discharged, the newspaper said in a Washington dispatch.

The Times story continued: One of those reported discharged is Robert Christofferson of Charlotte, N.C., leader of the new organizers' union that has been fighting for recognition in the AFL-CIO.

In addition, a number of other employees in the headquarters building are being laid off.

Effective Feb. 1 The sweeping entrenchment takes effect Feb. 1, about the time AFL-CIO leaders will be gathering in Miami Beach to consider a \$1,200,000-a-year public relations program.

Official sources in the AFL-CIO were not available for comment, the Times said, adding that John Livingston, director of organization, snapped a sharp "No" to a newsman who asked to see him.

It was reported that those discharged would get severance pay of two weeks for each year of service. Seniority was reported a consideration, but not controlling.

Campaign Was Failure William F. Schnitzler, AFL-CIO secretary-treasurer, gave the word to district directors who were called to a meeting in Washington last Monday. Schnitzler told them to carry the word back to their districts and break the news to the organizers.

Some of the organizers had learned nothing of their fate and others had heard only rumors.

The retrenchment reflects the failure of the organizing campaign, at least in terms of a 225-man staff; a 10 per cent cut in income as a result of the expulsion of the International Brotherhood of Teamsters and other unions, and a shift in emphasis to public relations.

Sharp Reaction Leaders of the Field Representatives Federation, as the new organizers' union calls itself, reacted sharply, although making no immediate threats of an unfair labor practice charge.

Christofferson, who is secretary-treasurer of the FRF, and Albert Bratt, chairman, issued a statement, which said in part: "If the New York Times' information is correct, it means that almost 50 per cent of the AFL-CIO field staff are being released without consultation, prior notice or the right of appeal."

PRESS CAN'T QUIZ WINNIE

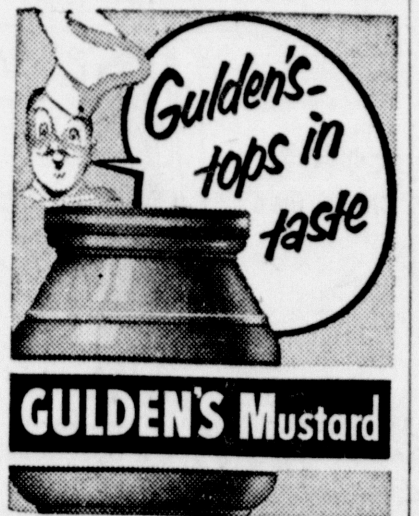

LONDON (AP) — Sir Winston Churchill flew to the Riviera Wednesday for his annual winter vacation and gave airport reporters no chance to question him about his actress daughter Sarah's arrest as a drunk in California.

Churchill's black sedan pulled up at the airport's VIP lounge, where newsmen could have approached him. As his chauffeur started to open the door, the 83-year-old statesman glared and shook his head, then slouched in the back seat and read newspapers.

When the plane was ready for loading, the chauffeur drove Churchill to the foot of the passenger stairway leading to the plane.

Puffing his usual long cigar in disregard of the airport's "No Smoking" signs, Churchill started slowly up the ramp, posed briefly for photographers, and entered the plane still puffing.

Lady Churchill did not accompany him. The British press rallied to Sarah Churchill's support and praised her performance on a TV show after her arrest in Los Angeles.

Four Injured In Philadelphia Blaze

PHILADELPHIA (AP) — Four persons were injured and seven overpowered by smoke Wednesday as flames swept a West Philadelphia apartment house, temporarily trapping the 100 occupants.

Five alarms brought all available fire apparatus to the Hampton Court, 205-11 N. 35th St. The blaze was brought under control about an hour after the first alarm at 2 a.m.

A man and his wife were hurt when they leaped from a fourth floor window. A young mother was injured when a rope broke and dropped her from a fourth floor window.

The occupants of nearby Drexel Institute fraternity houses helped lead some of the apartment house occupants to safety as the entire area was blanketed by a dense pall of smoke.

Firemen were forced to battle the stubborn blaze in near-freezing temperatures with a steady drizzle adding to their woes.

A number of the apartment dwellers reached the ground down a rear fire escape under their own power. Scores of others had to be carried or helped down ladders.

OPPOSE BOOST IN HOTEL WAGES

HARRISBURG (AP) — Labor and Industry Secretary William L. Batt Jr., today mulled over opposition to proposed new wage minimums for women and children in the hotel, motel and restaurant industries.

Batt Tuesday held a final hearing on the new rates, scheduled to go into effect April 15. The rates were recommended by a special nine-member panel he set up same spot. The area was otherwise completely uninhabited.

POPE PIUS MAY VISIT LOURDES

LOURDES, France (AP) — The organizing committee of the Lourdes centenary is preparing for a possible one-day visit of Pope Pius XII to the Catholic shrine next September.

Officials said they have received the Vatican's go-ahead for preparations for a papal visit during the Marian Congress Sept. 10-17. The Pope by then will be 82.

It would be the Pope's first trip abroad since he was elected in 1959. He would fly aboard a jet airliner.

Official Vatican sources declined comment on the Lourdes report. Most unofficial sources in Vatican City, however, have maintained the Pope will not make Cite Heavy Strain.

Since he was elected Pope he has not traveled more than a few miles outside Rome. No Pope has gone to France, or for that matter, outside Italy, for more than 100 years.

Pope Pius XII is no stickler for tradition. It is known that pressure is being exerted on him by some persons, both in France and Italy, to go to Lourdes.

There is no doubt that the Pope would be pleased to make the trip. But some of his closest asso-

ciates feel that even a one-day trip to Lourdes would be a heavy strain on him. He is 81.

News Briefs

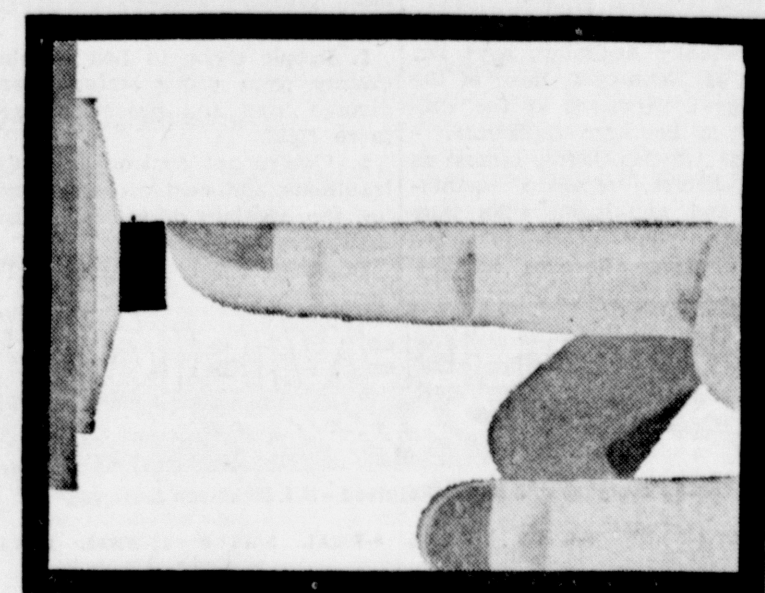

WASHINGTON (AP) — A Senate subcommittee voted Wednesday make pay raises for 1½ million government workers across the nation retroactive to last Oct. 1.

The full Senate Post Office and Civil Service Committee will meet later behind closed doors to con-

sider its subcommittee's recommendation, and seek a solid estimate of the costs.

WASHINGTON (AP) — Air Force missile experts expect to place a payload satellite in orbit about the earth shortly and they say the same existing missile can perform unmanned reconnaissance of the moon.

This forecast became public Wednesday through closed-door testimony by Maj. Gen. Bernard A. Schriever, commander of the Air

Words, sold door-to-door

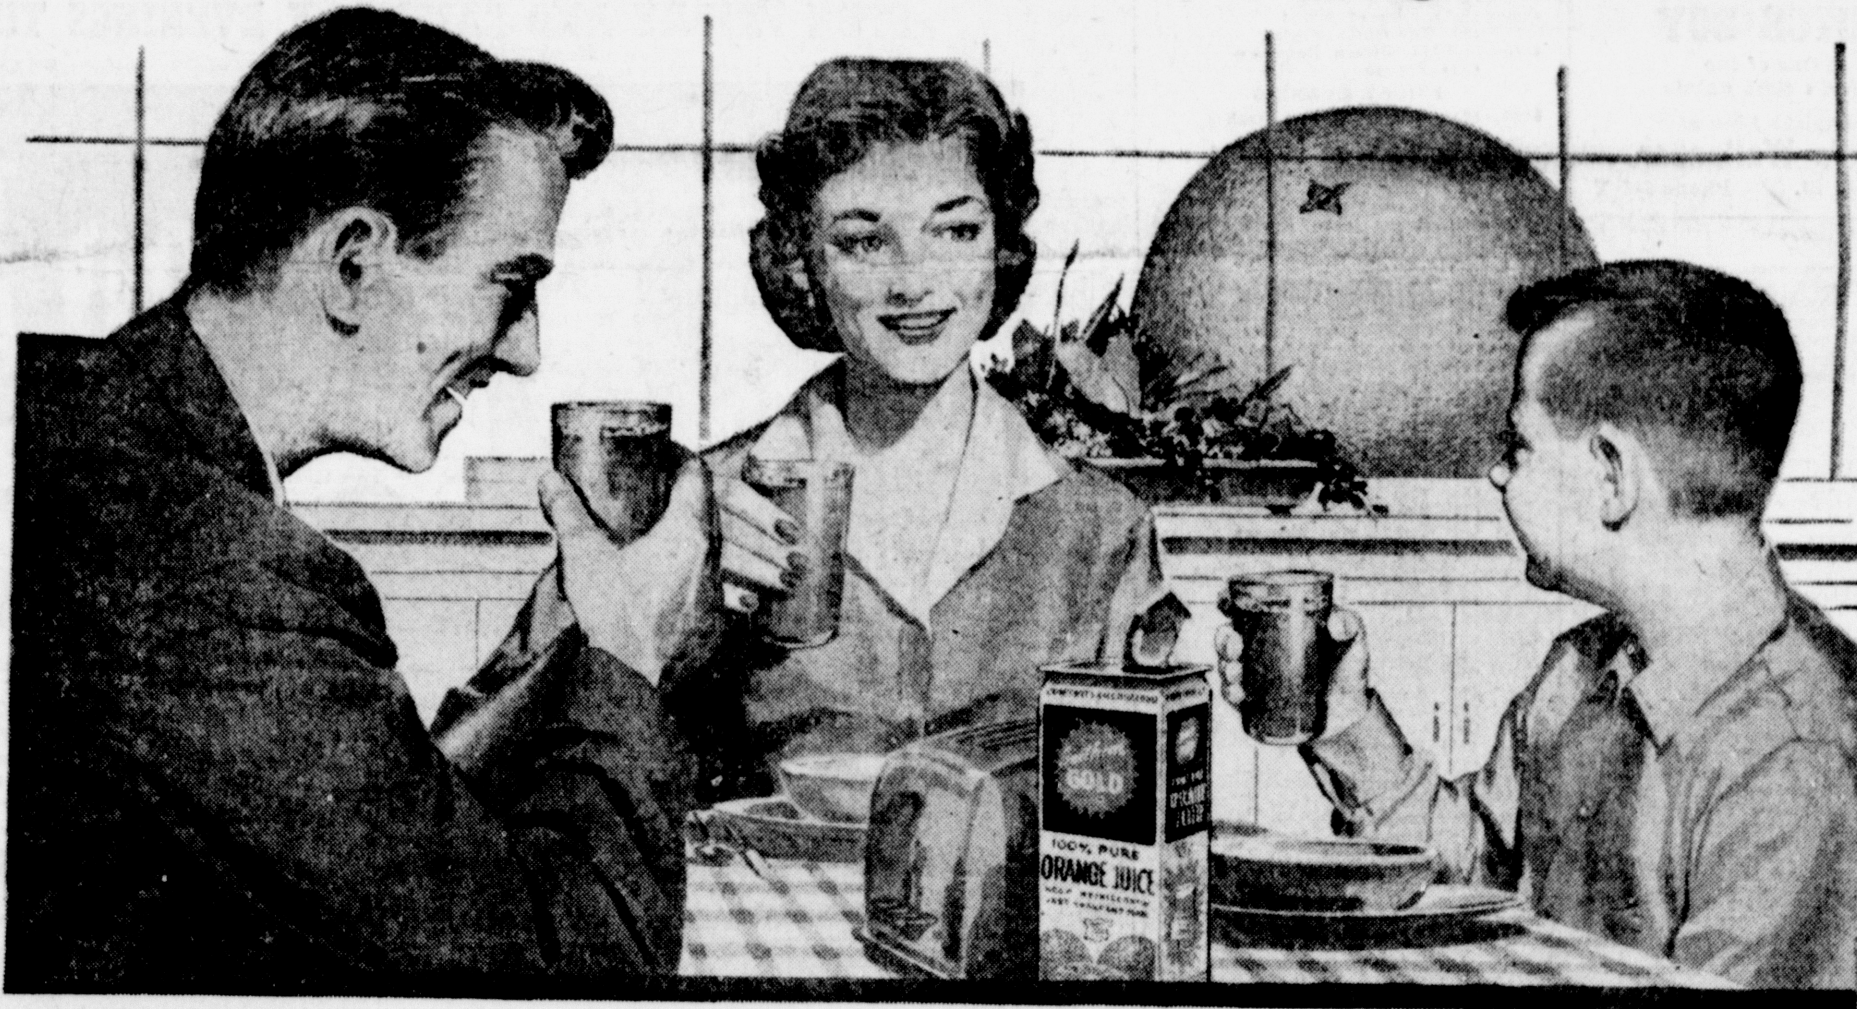

We hear that door-to-door salesmen are in the neighborhood, selling "vitamin preparations" with apparent concern about your health. These men are not likely to be physicians or pharmacists, and thus are neither professionally qualified to talk about your health nor to prescribe vitamin products. This is your physician's job, just as it is your pharmacist's job to fill such prescriptions. Remember what the door-to-door salesman sells best is words.

President Tells Press Confab He Does Not Deal In Reprisals

WASHINGTON (AP) — President Eisenhower was asked at his press conference Wednesday whether he has any special plans to get support for his congressional program by giving or withholding presidential support in the election campaign.

The President replied that he does not deal on that basis.

Other subjects brought up at the press conference include:

OPPENHEIMER — Asked about the possibility of restoring the access of scientist Robert Oppenheimer to government nuclear secrets, Eisenhower replied that he has not heard the slightest thing regarding any such step. Oppenheimer, who helped develop the atomic bomb, was barred in 1954 from access to government atomic data on grounds he was a questionable security risk.

Associated With Reds — The majority of a special board decided he was a loyal American but said he had held himself above security regulations, had associated with Communists and had been untruthful in some instances.

Eisenhower said he is under the impression the Oppenheimer case is completely closed, but said he certainly would be willing to consider any new information bearing on it. He added that he knows of no such information.

LITTLE ROCK — Eisenhower said he hopes Little Rock officials soon will be in a position to notify him that they now are able to maintain order there in connection with school integration. He had been asked what he regards as the next step in that situation.

Federal troops have been enforcing order at Little Rock's Central High School since September.

Refers To Officials — Asked whether he is now awaiting word from Arkansas Gov. Orval Faubus that order can be maintained without troops, Eisenhower replied with a crisp no.

The President said he was thinking more of the local Little Rock authorities.

POWELL — Eisenhower had no specific information as to why he has not conferred yet with Negro Powell (D-NY) regarding school integration generally. Tentative arrangements for such a conference were made last September. A reporter asked whether the delay was related in any way to government investigation of Powell's income tax situation.

Eisenhower replied he would have to look into the matter before answering.

Wants Equal Publicity — BULGANIN — Eisenhower expressed the hope that his latest message to Soviet Premier Bulganin, dealing with the possibility of a new summit conference, will get the same publicity in Russian areas that Bulganin's earlier note to Eisenhower did in the United States.

In reply to a question, Eisenhower said he has given no thought whatever to including Red China and its satellites in any summit conference.

GAITHER REPORT — Eisenhower said he has no intention whatever of ever releasing the administration's Gaither report on the state of the nation's defenses and the prospect for the

future. That report drawn up by a committee of advisors named by the President, reportedly cautions that the United States is fast losing military superiority to Russia.

Eisenhower said he names such study groups with the proviso that information given to them, and developed by them, is in a privileged or secret category. If there should be any change in that, Eisenhower added, he would have to stop setting up such study groups.

Wants Dulles To Stay — DULLES — Eisenhower vigorously labeled as trash reports that Secretary of State Dulles might resign. He said Dulles is the last person he would want to see resign, and added that he regards the Cabinet officer as the wisest and most dedicated man he knows.

Eisenhower said he is sure it is the desire of all to whom he has talked, including other government officials, that Dulles stay right squarely on the job.

Dulles, the President said, has greater knowledge in his field than any man he knows.

FIFTH ANNIVERSARY — A reporter noted that Eisenhower will observe his fifth anniversary in office next Monday. The past five years, the newsmen said, have produced for Eisenhower such crises as the Little Rock school integration situation, Russia's satellite and the rise of Nikita Khrushchev as Communist party boss in the Soviet Union.

Will Carry On — The reporter asked then for the President's views of those problems and for a forecast of the future.

Eisenhower responded that he intends to carry on in the three remaining years of his term exactly as he has during the first five years.

MORE MORE MORE — In an obvious allusion as to whether he will live out the term, Eisenhower said the future is in the lap of the gods.

The first five years, he said, have not been very much rougher than he had anticipated. He felt at the start that world problems would increase, and at the same time was determined that America's liberties had to be maintained in the face of a tremendous threat to their existence, he said.

Had Right To Quit — GAVIN — The resignation of Lt. Gen. James M. Gavin as the Army's chief of research and development was a personality matter, Eisenhower said. He added that Gavin had a right to quit.

Gavin has decided to quit at the end of March because of policy differences regarding the defense program.

DEFENSE REORGANIZATION — The President, who has promised a reorganization of the defense setup, declined to answer questions about his plans. He said he would not disclose details in advance of his special message to Congress.

He did say his aims are completely objective, and he noted that he will remain as commander in chief for no more than the next three years.

Expects Some Arguments — Asked whether he intends to fight for his defense reorganization plans, Eisenhower replied that he is striving to put an effective plan before Congress. He said he expects the plan to touch off arguments, but his views will be expressed as best he can.

POLITICS — In his belief, Eisenhower said, the solidarity of the Republican party is far stronger than some people believe. He made that statement when asked to what extent he intends to engage in the party drive to recapture control of Congress in this year's election. The reporter putting the question noted that Eisenhower is scheduled to kick off that drive in a speech at a Chicago GOP rally next Monday night.

Without ever providing a specific answer, Eisenhower said the political philosophy he lives by is one he believed in long before he ever got personally into politics. He said he also believes that Republicans generally believe in that same philosophy.

LOS ANGELES HAS HIGHEST DIVORCE RATE

LOS ANGELES (AP) — This county leads the U.S. divorce parade, a sociologist says. But Hollywood's celebrated splitups aren't the reason why.

As for the national divorce rate, it's gradually declining, says Dr. Martin H. Neumeyer, head of the sociology department at the University of Southern California.

In Los Angeles County almost as many divorce, separate maintenance and annulment suits were filed last year—32,563—as there were marriage licenses issued—

36,333.

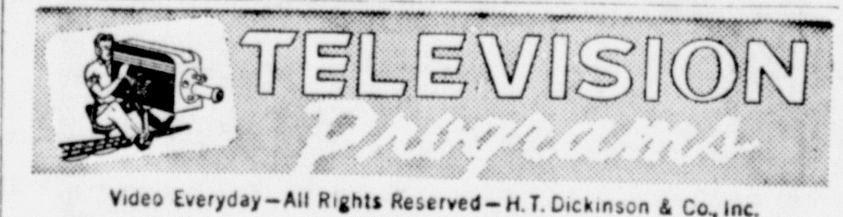

Give Some Reason — To the total of divorces, screen notables contributed only 26 last year. The year before they accounted for 23.

Why, then, is this county such a choppy sea for the marital bark?

Great mobility of the population is one factor, Dr. Neumeyer told an interviewer. Mobility tends to ward more disorganization in family life, he said. He listed two other probable factors:

1. People come to Los Angeles County from other states where divorce laws and procedures are more rigid.
2. "We're not controlled by the traditions and customs (surrounding the breakup of a home) that they have in the East."

In other words, he said, public

Withhold Payment On State Contract

HARRISBURG (AP) — Aud. Gen. Charles C. Smith today was withholding payment to a Philadelphia

firm for a \$10,850 contract to reconstruct windows at the Philadelphia State Hospital, on grounds such work was not properly contracted.

Smith accused Secretary of Welfare Harry Shapiro of using "a

calculated shortcut" in giving the contract to Fenster, Inc., without advertising for bids. The auditor general said Shapiro was in error in handling the project as miscellaneous repairs

Bob Hope Nearly Ejected Self Without 'Chute From Jet Bomber Over Pacific

HOLLYWOOD (AP)—Bob Hope disclosed today that he nearly ejected himself—minus parachute—from a B47 jet bomber flying 600 miles an hour at 18,000 feet over the Pacific.

The incident occurred on his recent 18,400-mile tour to entertain troops in the Pacific during the Christmas holidays.

"The only thing that saved me from taking the biggest dive of my career was a lack of sleep," the comic told a reporter.

Took Off 'Chute
"We were at Yokota air base, outside Tokyo, when a general asked me to include some lonely soldiers at Guam on our itinerary. I flew the jet in advance of our troupe to set up the show."

"They sat me in the co-pilot's seat with oxygen mask, crash helmet and parachute. We weren't in the air long before I got to feeling very uneasy, a real claustrophobia. I couldn't see anything but a panel of instruments."

"I started sweating, took off my parachute and then asked the pilot if it was possible to make my seat go up so I could see out the blower. He told me to pull a little lever, similar to the kind on power seats in your car."

"I was a little groggy from lack of sleep and pulled the wrong lever. The pilot, watching me in a mirror, screamed: 'Get your hand off that!'"

"It was the automatic pilot ejection seat. We were a good 800 miles out in the Pacific. I shudder to think what would have happened if I had given the lever a strong pull and a squeeze."
"How could I ever top a finish like that?"

Inflates Robbery Story 'For The Girls'

CHICAGO (AP)—Willie Lewis is a 32-year-old glass blower who says he likes to "impress the girls" and "see my name in the papers."

That's why he inflated a \$500 robbery into an eyebrow-lifting \$21,000 job, he told police.

Lewis, a Negro, had reported that two men forced their way into his South Side apartment, slashed open his money satchel and escaped with \$21,000 he had hidden because he didn't trust banks.

He said he won the money gambling in the Army in 1945, but, under questioning said he actually saved only \$500—by selling lunches to fellow workers at the plant where he is employed.

President Theodore Roosevelt liked dogs. He owned a rat terrier, a St. Bernard, a bull terrier and several mongrels.

UNCLE SAM IS HAVING TROUBLE GETTING CASH

By SAM DAWSON
NEW YORK (AP)—Uncle Sam is having cash trouble again. So he is asking Congress to help tide him over.

The financial community is speculating on the moves the Federal Reserve Board may take to make it easier for Uncle Sam to borrow—both on a long-term and a short-term basis—and at the same time help try to ease the recession.

The Treasury will have its troubles between now and mid-March keeping enough cash on hand to meet rising costs.

Below 3 Billion
The cash balance has fallen below three billion dollars. Little but borrowed money will be coming in until mid-March when the corporate income tax payments are due. The following month individual income tax payments will be due. The size of the collections from taxes on business profits and personal incomes will be affected by the extent of the recession.

Borrowing is the obvious way out of the present cash difficulty.

But the secretary of the Treasury already is getting cramps from trying to stay under the federal debt ceiling of 275 billion dollars. He's within about 700 million dollars of that limit now. Each week lately he's had to tap the money market for an extra 100 million dollars.

Rise In Limit
Congress is being asked to raise the limit to 280-billion dollars until next June, when corporate and individual income tax payments Treasury.

Wall Street is speculating today on two possibilities:
1. If Congress acts quickly on the debt ceiling, there's a chance the Treasury might put out another long-term security next month when it has to refinance nearly 11 billion dollars of maturing federal debt.

2. The Federal Reserve might make borrowing easier—both for the government and perhaps for business too—by lowering the discount rate again.

Recession Is Problem
This rate—the charge to member banks for borrowing from the Federal Reserve banks—was cut to 3 per cent from 3½ per cent in November as acknowledgment that recession, rather than inflation, was the problem of the day.

Current scuttlebutt is that the Federal Reserve may drop the rate again by either one-fourth or one-half of 1 per cent. Or the system may cut the amount of reserves the big city banks must keep with it. This would provide them with large amounts of lendable funds which either business or the Treasury might tap.

WSCS DONATES TO POLIO FUND

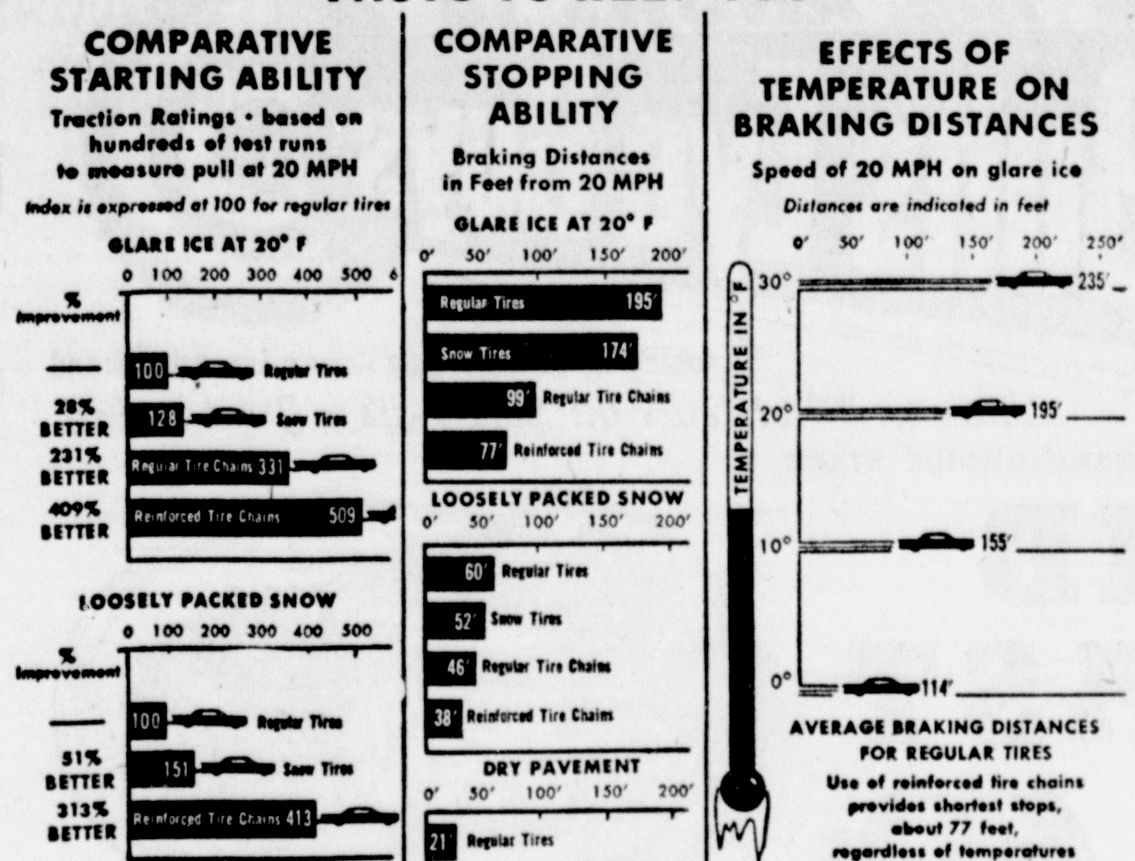

The Woman's Society of Christian Service of Centenary Methodist Church voted a contribution of \$5 to the March of Dimes at the January meeting of the society held on Tuesday evening at the church. Mrs. Bertha Shull, president, presided. The opening devotionals included the Lord's Prayer in unison; Scripture, Mrs. Ruth Witherow, who also gave a reading "March of Missions in Japan."

Tentative plans were discussed to conduct a food sale in March, and details will be made at the next meeting. It was decided to attend the WSCS of New Oxford to attend the next meeting on Tuesday, February 11, at the church, when the hostesses will be Mrs. Stella Purlow, Mrs. Carrie Byers and Mrs. Charlotte Byers. During the social hour on Tuesday, refreshments were served by Mrs. Witherow, Mrs. Grace Harner and Mrs. Mildred Kerns.

Rotary Meets
H. Walter Miller, Harrisburg, advertising and printing businessman, spoke on "The Four-way Test; Rotary," at the dinner meeting of the Littlestown Rotarians on Tuesday evening at Schottie's Hotel. The program was in charge of the vocational service committee, with Charles E. Ritter, of the committee, presiding. Mrs. Carl H. Baumgardner, dean of women at the Littlestown Junior-Senior High School, was introduced as a guest at the meeting. Visiting Rotarians were Landon C. Burns and J. Paul Herling, Westminster; Robert Menchey, Hanover; A. G. Ealy, president, was in charge of the meeting.

The Rotary meeting next Tuesday at 6:15 p.m. will be in charge of the international service committee, composed of L. Robert Snyder, chairman, Walter P. Crouse, Lloyd E. Crouse, P. Emory Weaver, Roy D. Knouse and Theron W. Spangler. The club will entertain the teachers of the Littlestown Joint School System on Tuesday evening, Jan. 28, at Redeemer's United Church

Mrs. Ray V. Reichart will lead the discussion of the topic "We Believe" at the January meeting of the Women's Missionary Society of St. Luke's Union Church, near White Hall, on Friday at 7:30 p.m.

There will be prizes and refreshments at the weekly public party in St. Aloysius Parish Hall on Saturday evening starting at 8 o'clock.

Little League Meeting
The officers and managers of the Littlestown Little League, Inc. met on Tuesday evening at the engine house, with R. J. Stonessier, president, in charge. Plans were discussed to erect an outfield fence on the new playing diamond, at the rear of W. King St., south of W. Myrtle St. It was decided to contact the local businessmen to place advertising bids on the fence. The next meeting of the group will be announced.

LeRoy Moose, near town, a member of the Pennsylvania Society of Archaeology, spoke at the weekly meeting of Boy Scout Troop No. 84 or Wednesday evening. Mr. Moose gave an illustrated lecture and showed pictures of excavating Indian graves and displayed items of interest on Indian folk lore.

In preparation for the Court of Honor to be held by Troop 84 on Wednesday, Jan. 29, when awards will be made for first and second class cooking the Scouts will have a cook-out on Saturday afternoon, leaving at 2 p.m. from the Scout headquarters on W. King St. Each boy will take his own meat and vegetables.

Slip Down Was His Downfall Under Car

LOUISVILLE, Ky. (AP)—It wasn't a slipup which led to Francis S. Beck's downfall—it was a slip down.

Police arrived at a store to investigate a break-in. Beck, 35, clung out of sight under a car for several minutes. But his hands finally slipped on greasy parts. Officers heard him fall and nabbed him.

He was charged with storehouse breaking.

RITES FOR MRS. SMITH

Editor
The Gettysburg Times

Dear Sir:
I cannot allow another Christmas season to pass, without a few words of praise to The Gettysburg Times, institutions of learning, industries and individuals concerning the notices in our local paper dated December 23, 1957.

After reading this issue, it does prove we are keeping Christ in Christmas, in our community.

I must commend all concerned for this fine and deep abiding faith.

Very Sincerely,
Mrs. Luther I. Sachs Sr.

Abbottstown

With 153 Dresses, Asks Clothes Money

LOS ANGELES (AP)—Mrs. Pearl Balos didn't exactly say she had nothing to wear. But in her divorce suit she asked \$600 a month for clothing.

Her husband, wealthy real estate man Benjamin Balos, 63, objected to her request for \$2,465 monthly alimony, including the clothing allowance.

He told the court he took an inventory of his wife's wardrobe and found:

Eight fur pieces, 153 dresses, 108 pairs of shoes, 68 skirts, 72 pairs of stockings, 85 purses, 32 girdles, 36 house robes.

The court ruled that Mrs. Balos, 53, will have to get along on \$1,400 temporary alimony.

CREAMY LEMON FROSTING
Ingredient: 1/4 cup butter or
margarine (soft), 2 1/2 cups sifted
confectioners sugar, 1/4 teaspoon
lemon rind, 2 egg whites, 1 1/2 tea-
spoons lemon juice.

Method: Cream butter; gradual-
ly add 1 cup of the sifted con-
fectioners sugar, creaming well. Beat
in lemon rind. Beat egg whites with
rotary beater (hand or electric)
until they form soft peaks; grad-
ually beat in remaining 1 1/2 cups
sugar. Blend into first mixture;
stir in lemon juice. Enough frost-

Seeks Help Of Dulles In Policy Studies

WASHINGTON (AP) — Sen. Ful-
bright (D-Ark.) said today that the
Senate Foreign Relations Commit-
tee will seek full cooperation from
Secretary of State Dulles in its
forthcoming study of foreign pol-
icy.

Sen. Mansfield (D-Mont.), agree-
ing with Fulbright, said that "this
inquiry is not a vendetta against
Mr. Dulles," but "a sincere de-
sire on the committee's part to
help formulate foreign policies
that will save the world from
atomic disaster."

The committee voted unani-
mously to conduct a study and
review of American foreign policy
over the coming months. It au-
thorized Chairman Green (D-R.I.)
to name a four-member subcom-
mittee to "work out policies and
procedures" for the hearings.

Bank Bandit Free; Didn't Serve Time

HARRISBURG (AP) — A Lebanon
County man who held up a bank
here nearly two years ago was
free on parole today without ac-
tually serving time in a Pennsylv-
ania prison for the holdup.

Bruce K. Lehman, 28, Campbell-
town, appeared before Dauphin
County Judge Walter R. Sohn yes-
terday to be tried for the March
1, 1956, robbery of the Harrisburg
Trust Co. He took \$614 but was
caught in a downtown hotel 20 min-
utes later.

Lehman entered a plea of guilt.
Judge Sohn imposed a sen-
tence of 11 to 23 months but or-
dered him placed on parole im-
mediately since he has been in fed-
eral custody for nearly 20 months.
Federal authorities had taken ju-
risdiction in the case because the
bank is a federal bank. Lehman
however, was sent to the U.S. Me-
dical Service Hospital in Spring-
field, Mo.

PROMPT SENATE OKAY FORECAST FOR EMERGENCY AIR FORCE BILL

WASHINGTON (AP)—Prompt Senate approval was forecast today for a House-passed emergency Air Force construction bill as a House subcommittee followed through on a measure to provide actual funds.

A unanimous 347-0 House vote sent to the Senate a bill to authorize \$549,670,000 of new Air Force funds. It includes projects for a start on the nation's third base for intercontinental ballistic missiles, dispersal of bomber bases, a missile warning system and other works.

Hearings Completed
Chairman Stennis (D-Miss) said he will call hearings early next week before a Senate armed services subcommittee in an effort to hurry the measure to the Senate.

The authorization bill sets up some of the projects for which money would be provided in a \$1,290,000,000 missile money bill which House leaders said may come to a vote there next week.

The House Defense Appropriations subcommittee has completed hearings on the money bill and members predicted today substantial approval of the entire amount.

"There may be some minor changes here and there," one subcommittee member told a reporter, "but there will be no major alterations."

10 Million For Agency
The Air Force construction bill is the first step in speeded-up defense plans developed to offset Russian progress in the missile-satellite fields.

Before passing it, the House adopted a hastily drafted amendment to give Secretary of Defense McElroy specific authority to set up the Advanced Research Projects Agency he wants. The money bill would provide 10 million dollars for the agency.

Among other things, the action would give the Defense Department itself specific power to enter into contracts and spend money.

SLASH MARGIN REQUIRED ON STOCK BUYING

By STERLING F. GREEN
WASHINGTON (AP)—The government today lowered another anti-inflation barrier—the margin requirement on stock purchases—after breaking bad news on both production and income.

Effective today the Federal Reserve Board cut from 70 to 50 percent the margin, or down payment, required for purchase of shares on the nation's sluggish stock exchanges. The 70 percent requirement had been in effect for nearly three years.

The reduction was hailed by Keith Funston, president of the New York Stock Exchange, as giving the market a desirable added liquidity that he said would help industry raise new funds for working capital and expansion.

Reaction Mixed
Other reaction from financial circles was mixed, with some specialists sharing Funston's optimism, others viewing the action as having only temporary effects on the market, and still others saying they thought the impact would be negligible. But most of those who commented expressed surprise.

First effects were felt on the Pacific Coast Stock Exchange in San Francisco. It was still open when the reserve board's action was announced, and prices spurted ahead in active trading.

The board's decision was made public immediately after two announcements which revealed that business ended 1957 with a harder-than-expected bump. These reports were:

Expect Upturn
1. Personal income, said the Commerce Department, dropped

However, another committee member who asked not to be quoted by name, remarked, "I don't know—it seems to me we may have set quite a precedent here, and I for one didn't have time to study it."

Investigations Continue
Investigations of the defense situation continued on both sides of the Capitol.

The House Armed Services Committee, meeting behind closed doors, recalled McElroy and his top missile experts for further questioning in a broad study expected to continue for several more weeks.

The Senate Preparedness subcommittee, which started earlier in an investigation centered more directly on missiles, is moving to conclude its hearings next week.

PANATI GIVEN CABINET POST

HARRISBURG (AP)—Philadelphia Vincent G. Panati, familiar on the capitol scene in recent months as chief investigator for the state in the Pennsylvania Turnpike frauds, today prepared to take over as a member of Gov. Leader's cabinet with a \$5,400 a year pay increase.

Leader named the attorney secretary of revenue on Tuesday to succeed another Philadelphia, Gerald A. Gleeson. The appointment of the 50-year-old Panati followed on the heels of Gleeson's appointment by Leader, earlier in

to a \$342,800,000,000 annual rate in December, down more than 2½ billion dollars from November.

2. Industry's production sagged in December to the lowest level since July 1956, when a nationwide steel strike hobbled output.

Although officials and economists here almost unanimously predict an upturn by summer, the Federal Reserve's relaxation of margin requirements, applying both to purchases and short sales, was the latest in a series of government moves to counter the recession.

the day, to fill a vacancy in the Philadelphia Common Pleas Court.

Panati will take over the Revenue Department when Gleeson steps out, probably around the end of the month. He will receive \$20,000 a year as revenue secretary compared to his present \$14,654 a year salary as special deputy attorney general in charge of the turnpike case. He had been tapped from the Philadelphia district attorney's office for the turnpike investigation.

The Pennsylvania State University Library, which today has more than a half a million volumes, began in 1859 with 14 books. All the latter were on the subject of agriculture.

PROMOTION FOR GEN. TRUDEAU

TOKYO (AP)—The U.S. Army's new chief of research and development, Lt. Gen. Arthur Gilbert Trudeau, has declared that recent Soviet weapons gains are nothing "we can't compete with or surpass."

Trudeau, a corps commander in Korea, told a news conference he learned only this morning that he had been chosen to replace Lt. Gen. James Gavin as the Army's research chief.

He will take over the Pentagon

post April 1, one day after Gavin's retirement becomes official.

Trudeau said he hopes to inject a "vigorous attitude" into America's missile and weapons program, "destroy or at least reduce the con placency with which this situation has been viewed."

A long-time Army engineer, Trudeau has had little direct experience in weapon planning. He stresses, however, that he had been "intimately concerned" with U.S. programs in weapon research in form posts.

Van Zandt Will Decide On U.S. Senate Candidacy

By JOHN KOENIG JR.
AP Special Washington Service
WASHINGTON (AP) — Rep. Van Zandt (R-Pa.) said Wednesday he expects to decide within a month whether he will seek the Senate seat to be vacated by Sen. Edward Martin (R-Pa.) who is retiring.

But that decision will rest, Van Zandt told a newsman, on whether Pennsylvania Republican leaders agree on him as their candidate.

"If they think I have what it takes," he said, "I will be only too glad to make a formal announcement of candidacy."

Van Zandt said he has had only informal talks with state GOP leaders so far. As for actively seeking the nomination, he said, he is too busy with committee work in Congress.

On 2 Committees
The Altoona, Pa., congressman is a member of the House Armed Services Committee and the Joint Committee on Atomic Energy.

Van Zandt described himself as having "one foot in the arena and one foot out" as far as the sweepstakes go for the Republican nomination for senator.

The date for circulating nominating petitions is Feb. 25. March 17 is the deadline for filing.

Van Zandt said one matter of concern would be who his gubernatorial running mate would be should he seek the senatorial post. Republican sentiment still has not consolidated around any one candidate for governor.

Running Mate, Funds
A senator and governor will be elected at the same time next November since Martin's Senate term expires at the end of the year and Gov. George M. Leader under the state constitution cannot succeed himself.

Availability of funds also would be a matter to consider, Van Zandt said, since he expects this to be "a most active campaign."

"A television appearance may cost \$150,000," he said. "I have no money like that."

But weighing particularly heavy with him, Van Zandt said, is his responsibility to the people of his congressional district.

"I had a 100 per cent voting record in the last session," he said. "I intend keeping it that way."

Would Avoid Split
Campaigning would keep him away from Congress, he said, so that the possibility of a primary election fight in the spring would "have to be one of the things I would look at."

Should GOP leaders in the state agree on a candidate, however, he said he sees little likelihood of a primary battle developing.

"If a knock 'em down and drag 'em out fight developed," said Van Zandt, "I would have to look into it a second time."

"Right now the situation before Congress in Washington is one of such magnitude that it is a challenge to the entire American people and I must confine my efforts to Congress."

York Springs
YORK SPRINGS—Dean Tate was discharged from the Carlisle Hospital on Tuesday and returned to his home in Idaville. He was one of the five injured on Friday on their way to school at York Springs.

Mrs. Ella Stremmel returned home after spending about a month with her son, Furman Chronister, in Harrisburg.

Raymond (Bill) Starry returned home after spending some time with his daughter and son-in-law, Major and Mrs. Ted Severn, and family at Plattsburg Air Force Base, Plattsburg, N. Y. Major Severn is a pilot of a B47 Jet Strato bomber.

A motion picture film produced by the American Bible Society, "The Living Word in Japan," will be shown during the Sunday School hour at York Springs Methodist Church on Sunday morning.

The WCTU met on Friday evening at the home of Mrs. Stella Stallsmith. Mrs. Stallsmith was in charge of the devotions followed by prayers by those present. The hymn "Prayer" was used. Several articles and poems were read. The next meeting will be held at the home of Mrs. Mary Lenker.

The North Adams Parent-Teacher Association met Monday night at the York Springs High School.

with the president, Donald Leer, presiding. "America" by song by the group. Devotions were led by Mrs. Ralph Hikes. The treasurer's report was given by Frank Sowers. The chairman of the membership, reported on the efforts for more members. It was decided to purchase a tape recorder for use in the high school. A committee consisting of Mrs. Kent Golden, Mrs. Frank Sowers and Mrs. John Zepp will make the purchase. A committee was named to make plans for a money raising project consisting of Frank Sowers, Mrs. Olive Welser and Mrs. Paul Middour. The next meeting will be held on February 17 at which time Albert Townsend will speak on the duties and obligations of a school director. A discussion on the students' viewpoint of relationship

between children, teachers and parents was given by a panel of high school students consisting of Carol Chronister on home and school work, school and parental guidance by Carl Hikes, extra curricular activities by Donna Gembe, spiritual guidance by Stanley Prosser. Parents and teachers joined in the discussion.

Mrs. Henry Bream of Gettysburg, social worker for the Inner Mission Society of the Lutheran churches of the West Penna. Conference, will speak in the churches of the York Springs Lutheran Parish this Sunday.

The Mademoiselle Club met at the home of Mrs. Ralph Kennedy on Thursday night. Plans were made for the card party which the club will sponsor for the benefit

of the polo fund on Thursday, January 24, at 8 p.m. in the York Springs fire hall. Tickets may be purchased from any of the members or at the door. Prizes will be given to the players and a door prize. Refreshments will be on sale. The club will have a rummage sale in Harrisburg on February 8. Anyone wishing to donate may bring it to the fire hall the night of the party or to the library on Friday night or call any member of the club.

Mrs. Clair Bream, Shamokin Dam, visited her son-in-law and daughter, Mr. and Mrs. Harold Kemper, and family on Monday. Miss Nadine Renicker, 5th district children's superintendent, and Mrs. Ralph Hikes, children's superintendent of Adams County,

were in charge of a group of teachers of the children's division of the 5th district which met in the York Springs Lutheran Church last Sunday. They led in discussions of material and handwork used in the Sunday School.

The W.S.J. of the York Springs Methodist Church will hold a monthly meeting at the home of Mrs. Lloyd Lerew Friday evening. The Hunterstown W.S.C. will meet Thursday evening at the home of Mrs. Bernice Englebert.

Mrs. Jerry LaRue, Mrs. Merle Miller and Mrs. Samuel Humerick visited their sisters and Mrs. Humerick's daughters, Mrs. Allen Stull and Mrs. Bernard Feesser, at Thurmont.

Dean Tate was discharged from the Carlisle Hospital on Tuesday and returned to his home in Idaville. He was one of the five injured on Friday on their way to school at York Springs.

In April, 1953, Danny LaRue, son of Mr. and Mrs. Jerry LaRue, put a note in a bottle, sealed it, and placed it in a small stream which flows through their farm. Last week Danny received a letter from a boy from Manchester, Pa. He was out with a group of Boy Scouts that day near Strinestown and found the letter in good condition. The bottle was about 25 feet from the water. The bottle traveled from the Latimore Creek into the Bermudian Creek then into the Conewago where it was found.

and returned to his home in Idaville. He was one of the five injured on Friday on their way to school at York Springs.

James MARLOW Reports

The Associated Press

WASHINGTON (AP)—Up a tree. That's where the average man is right now on President Eisenhower's budget.

How can he tell whether this budget—a record for peacetime—is good or bad, wise or foolish, enough or too little? He doesn't know enough to decide.

And that goes for this writer. It's the only honest thing to say. In a little more than three months—since the Russian Sputniks shocked the world into sudden consciousness about space and missiles—the average man has been forced to feel left behind and out of date.

Can't Visualize It
He can't even guess, because he can't even visualize the problems, whether 500 million dollars for research is enough or whether five times that much is needed to keep this country abreast of Russia.

Worse than that: The average man, to whom this new world of space flight is a blank, probably won't know for years whether this budget was shrewd or a penny-pinching folly. The results coming from this year's budget may not show up for years.

One thing is for sure: Eisenhower is bent on balancing the budget—that is, not spending more than the government expects to take in in revenues of all kinds.

Still His Goal
That was his goal when he took office. It still is.
To increase spending for defense and still balance the budget, Eisenhower had to cut corners: by cutting down on domestic programs, such as public assistance, hospital construction, school construction.

That by itself raises a point: Last year Eisenhower asked Congress for money to help states build schools. He was very positive a lot more schools were needed. No doubt more schools are needed this year too.

But now he's dropping altogether

BABY IS BORN AFTER 8 DEATHS

SIGOURNEY, Iowa (AP)—Myron Richard Hammes, 1 day old, is going to get a lot of spoiling from his daddy.

The infant is the first child born to Mr. and Mrs. Richard Hammes since a train-auto collision Oct. 25, 1956, in which all eight of their children were fatally injured.

Mrs. Hammes, 39, and the baby were "doing fine," said the 47-year-old father.

Myron Richard weighed 10 pounds 2 ounces.

The father stood at the Sigourney Hospital nursery window and looked at the infant. A nurse joked with him about being over-indulgent and he laughed when she said, "I guess you'll sure spoil him now."

"I'm pretty good at that," Hammes said.

Mrs. Hammes was visited by two Roman Catholic nuns who told her, "We've been doing a lot of praying for you."

Mrs. Hammes was driving the family automobile when it collided with a Rock Island Railroad freight train at a crossing.

HUNGERFORD, England (AP)—Sir Ernest Willis, 88, British tobacco magnate who retired recently from the board of the Imperial Tobacco Co., died Tuesday.

NEW ORLEANS (AP)—Dr. Edward Gueney Simmons, 81, executive vice president and one of the founders of Pan American Life Insurance Co., died Monday of a heart attack. A native of St. Louis, he was a dentist before entering the insurance business in 1905.

er the idea of money for schools—and instead is asking money to educate a limited number of young people, particularly in science.

Eisenhower already has been both blamed and praised for the kind of budget he submitted.

This budget does not ask the people as a whole to make sacrifices. For example: while a tax cut appears out of the question this year, Eisenhower is not talking of raising taxes either.

The budget Eisenhower offered is pretty much a business-as-usual budget. Only the future can pass judgment on his wisdom.

Coal Commission To Help Miners

WASHINGTON (AP)—A coal research commission was proposed today by Rep. Byrd (D-WVA) to help coal mining a profitable venture and to maintain employment.

Legislation proposed by Byrd would authorize such a commission to develop new coal uses and to study means of lifting coal production costs.

The commission would emphasize developments in coal uses of particular value to small coal producers, Byrd said.

Another provision of the bill would authorize the commission to contract for research projects. It would conduct research itself only when it is unable to make contracts on reasonable terms, Byrd said.

The French Admiralty in Algiers said the seas had been very rough but the storm has abated.

URGE CONGRESS TO REMOVE TWO RAILROAD TAXES

WASHINGTON (AP)—The president of the New Haven Railroad Tuesday urged Congress to remove two federal rail taxes—a 3 per cent excise on freight shipments and a 10 per cent wartime tax on passenger tickets.

George Alpert said the ticket levy was designed to discourage civilian travel by rail during World War II.

Now, he added, with the passenger problem just the opposite, the tax "is doing a fine job of accomplishing what it was designed for, namely discouraging the use of railroad passenger service."

Action Is Needed

Alpert made his appeal in testimony prepared for the third day of hearings by a Senate Commerce subcommittee which is investigating the condition of the nation's rail industry.

Alpert's testimony took the same general tone as that of earlier witnesses—that congressional action is needed to improve the economic conditions of U. S. railroads.

In advance of today's subcommittee session, Chairman Smathers said the two preceding days of testimony indicated the railroads "are deteriorating very rapidly."

He added: "It has become increasingly clear that Congress must do something if we aren't to accept this downward movement we see not only with respect to the railroads but also the general economy."

"They (railroad witnesses) are clearly making a case that something must be done for them, that some relief must be provided."

Smathers did not say what form of relief might be recommended. But, he added, he plans to call a meeting of the subcommittee for early next week to "begin discussing what we think ought to be done and what, as practical men, we can get passed."

STORM BREAKS TANKER IN TWO

GENOA, Italy (AP)—The Norwegian tanker Seistrad broke in two in a raging Mediterranean storm Wednesday and at least 28 of the 38-man crew were rescued.

The Dutch freighter Bintang messaged she had rescued the 28. The captain, A. C. W. Latour, told his home office in Amsterdam 10 crewmen were missing from the 9,974-ton Norwegian ship, and that a search was continuing.

The scene of the rescue was about 100 miles east of Majorca, largest island in the Balearic group off the east coast of Spain. A French air force plane flying

U. S. SPACE AGE DEFENSE POLICY NOT CLEAR-CUT

WASHINGTON (AP)—A key national industrialist said Tuesday there is an alarming lack of clear-cut space age defense policy that must stem from the President.

Robert E. Gross, chief executive officer of the Lockheed Aircraft Corp., told the Senate Preparedness subcommittee investigating the missile-satellite program: "Although we face a national crisis as grave as any in our history short of actual war, we have been more concerned with balanced budgets, reduced taxes and business as usual than with security from atomic annihilation."

"It is high time we, as a nation, face the facts of life," he said.

over the area said the severed bow of the Seistrad had sunk but the stern section remained afloat. The plane could not tell whether any were left aboard the stern.

The 8,274-ton Bintang, however, apparently had succeeded in removing the men from the stern.

The French Admiralty in Algiers said the seas had been very rough but the storm has abated.

Lockhead is the prime contractor for the Navy's fleet ballistic missile, Polaris.

Gross was to be followed by representatives of two other missile makers — Dan Kimball of Aerojet-General, and Patrick Hyland of Hughes Aircraft.

Gross had a prepared statement which said that events exemplified by the launching of the Russian Sputniks clearly indicate increased emphasis and quickened tempo of the defense effort are needed.

He said a Herculean effort would be required to neutralize the advantage Russia unquestionably holds today.

"The people must be told the gravity of our situation and what is required to strengthen our defenses and regain our respect in the community of nations," Gross said.

WILL DISCUSS CRITICISM

HARRISBURG (AP)—Welfare Secretary Harry Shapiro will meet with a Perry County group Jan. 27 to discuss his department's criticism of the Perry County Home at Loysville.

The department recently questioned the need for installing an elevator at the institution. It said other improvements "seemed more immediately needed."

Perry County commissioners and representatives of the Perry County Federation of Women's

SLEUTHS SEEK TOP STUDENTS

LOS ANGELES (AP)—Faculty sleuths at the University of California at Los Angeles are using advanced techniques to uncover freshmen with exceptional academic ability.

The UCLA detectives said that out of 840 frosh tested since last September, 94 placed among the upper half of 1 per cent in intelligence nationally.

"We found two students who could have skipped college altogether and gone into graduate work," one official said.

UCLA Dean of Students Milton E. Hahn said there are many gifted students who might go through their four years "never realizing their potential."

The new program, still in its pilot stage, will be a continuous research project to get the most out of students.

officials met Tuesday to discuss the matter. Henry Haral, deputy highways secretary, said "nothing definite" was decided, pending the report from the firm of Michael Baker, Rochester, Pa.

The Shortway, running between Stroudsburg and Sharon, will be constructed as part of the Federal Interstate Highway System. It is expected to take 10 years to complete.

Ike Proposes Pay Boosts For Postal, Civil, Service Force

By JOHN A. HARRIS
WASHINGTON (AP) — President Eisenhower has sent to Congress a military pay bill which would give most service personnel a raise of at least six per cent, and also provide for merit increases.

The bill was introduced in the House by Chairman Vinson (D-Ga.) of the House Armed Services Committee, shortly after the White House disclosed details of administration proposals for boosting pay of postal and civil service workers, as well as service personnel.

The raises for all groups would cost about a billion dollars annually. The administration wants the raises to become effective July 1.

Under the Eisenhower program, all military personnel with more than two years' service would get the minimum increase in base pay.

"Periodic Raises"
The plan also would give the granting periodic raises, placing less emphasis on length of service and giving more consideration to merit.

The military pay plan embodies some of the recommendations submitted last year by an advisory group headed by Ralph J. Cordier, president of General Electric Co. That group said pay adjustments were necessary to reduce turnover in key military jobs.

In addition to the military raises, the administration also is asking these other increases, which will be set forth in separate legislative proposals:

1. A general six per cent increase for the nation's 500,000 postal workers.

2. An increase of at least six per cent for the nearly one million civil service workers.

The White House also said the proposals call for increasing the top salaries of workers in the highest civil service grade from \$16,000 a year to \$18,000, and would remove the present limit of 1,226 workers who can hold jobs in the top three classifications.

The administration also seeks upward adjustments in the starting and intermediate grades for scientific, professional and managerial workers.

Legislation now pending in the Senate would give postal workers an average boost of 12½ per cent, and raise civil service workers by 7½ per cent.

The military pay boost was estimated to cost \$18 million dollars in the first year. The general increase would apply to 70 per cent of the uniformed personnel or about 1,800,000, but no raise was proposed for men with less than two years' service, nor for retired military people.

It was estimated, also, that four out of every seven servicemen would get additional pay depending on proficiency and rapidity of advancement under the proposed new program.

Raises for officers would be spread over a four-year period to reduce the impact on defense spending. The biggest increases would go to high-ranking officers, by creation of permanent three- and four-star ranks for pay purposes.

DRIVER ARRESTED

Gene D. Rider, 22, Littlestown R. 2, was arrested Monday by police on a warrant issued by Justice of the Peace George A. Lippy, Hanover, on a charge of driving after his operator's license had been suspended by the state.
